F. X. Shea Forest

Wilson Rd

Directions:

From Cookeville: Take Center Road (it goes past the post office and two brick houses). Go for 0.3 miles and then take the first left onto Coppermine Road.

In about 0.1 miles turn right onto Wilson Road. Take Wilson Road to the end (about one mile) and park on the former log landing.

If it is very wet, don't go all the way to the end. Park near the wide driveway to the left, after a pond that is close to the road. The walk to the Town Forest won't be very long.

From Corinth Center: Take Center Road towards Cookeville for about 0.6 miles. Turn right onto Coppermine Road and in about 0.1 mile turn right on Wilson Road. (See above for Wilson Road details.)

Trail Information:

There are many existing trails on the town forest. So far only two main trails are flagged. The trail loop to the north is marked with orange plastic flagging. The one to the south is marked with yellow plastic flagging. We hope to do more trail clearing and marking in the future.
