7. Ben Kilham's program on bears will take place 2/24/12. Anne will double-check what he needs and create a poster, post a notice on our listserv as well

as send it to the LRN listserv and the Bradford Conservation Commission. Linda and Shari will help distribute posters.

8. Steve Long's forest management program will take place 4/27/12. It will be called "More Than a Woodlot." Kerry will email Norm Collette to reserve the town hall for that date.

In addition, Trout Unlimited is having a meeting soon, and Earl will try to attend and find out if they can do a slideshow or an outdoor workshop, maybe on the South Branch of the Waits near the Cawleys. Ginny will contact Alcott Smith about another tracking program. And Kerry will follow up with Dave Richard about orienteering.

Ginny asked if anyone might want to go to Clement Loop to clean out the birdhouses before March. Anne needs to get a new map made and bring over some more brochures.
