

CORINTH CONSERVATION COMMISSION
MINUTES: May 4, 2015 (unapproved)

Present: Glynn Pellagrino, Marian Cawley, Linda Tobin

Meeting called to order by chair at 6:40 p.m. (meeting was scheduled early to allow members to go to the WRVS school meeting)

April minutes were approved unanimously. (Linda moved, Glynn seconded.)

Agenda changes: Linda asked to touch on money received/spent

Treasury: Need to find out what was spent on Green-Up transport (from transfer station to E. Montpelier). / Glynn will let Linda know the date the Orchard grant money was received. / The \$250 allocated to the CCC by the Town of Corinth has not yet been processed. / The money reimbursed to Ginny out of CCC funds will be replaced from the grant account

Bottles: Linda collected \$41.05 for March and \$76.75 for April. Town Treasurer will put these in our account.

Bottle duty: 5/9, Linda; 5/16, Glynn; 5/23, Marian; 5/30, Frank

Apple Orchard: Holes have been dug by Tom Loftus and there is one pile of manure for fertilizing. All but two of the trees have arrived (the final two are coming from a small Vermont operation). Ginny plans to get a truckload of bark mulch and will also talk to Bob Sandberg about compost. We are ready to plant and mulch as many trees as we have on May 9.

New members: *Marian will follow up with Kevin Buchanan.*

Future events: Birding workshop with John Sutton scheduled for 5/16 at 7:00 am, with a rain date the next day, 5/17. John wants to stress that we are "listening" as much as looking. Meeting place will be the Town Hall and we will walk out Tenney Road. Marian will make an LRN announcement: maximum of 8 people, who need to bring their own binoculars (and whatever else they feel they need).

Next meeting will take place on 6/1 at 7:00.

Meeting adjourned at 7:10 (Linda moved, Glynn seconded).

Respectfully submitted,
Marian Cawley
