

TOWN OF CORINTH PROPERTY TAX AutoPay PROGRAM

THE PROGRAM

The Town of Corinth now offers taxpayers the option of having their property tax payments automatically withdrawn from their checking, savings or money market account on the date the property tax payment is due. For your protection, the **AutoPay** program is governed by state and federal regulations.

WHY SHOULD I CONSIDER?

- Provides you with peace of mind. No chance of forgetting to make your payment on time or to worry about your payment being lost or delayed in the mail. Payments will be automatically debited from your account on the actual tax payment due date.
- Your **AutoPay** payments are made safely, accurately and timely by using the Automated Clearing House (ACH) system that pays millions of bills, deposits millions of paychecks and processes over half of all Social Security paychecks.
- Saves you time and money. No more writing checks, paying postage or mailing your payments. No more driving to the Town Treasurer's Office on the due date to make a payment.
- Increases efficiency in the Town Office thereby saving time and reducing the possibility of errors.

HOW DO I SIGN UP?

To sign up for **AutoPay** simply complete the application and return it to the Town Treasurer's Office, PO Box 461, Corinth, VT 05039. The application must be received in the Office a minimum of fifteen (15) days prior to the payment due date. You can also access the enrollment form at www.corinthvt.org. A voided check is required when returning the completed form. This will help ensure that your account number and bank account number are accurate.
