Members Present: Karen Galayda, Hal Drury, Nancy Ertle, Susan Fortunati, Kathy Chapman, Amy Peberdy, Paula Lavallee, Linda Weiss, and Steve Long

Meeting called to order: 6:00 pm

The minutes to the July 7, 2016 meeting were reviewed. Hal moved to approve them Steve seconded, the ayes have it.

Karen passed out a parcel map, mailing receipt and the change of appraisal sheet. She spoke for the Listers telling about how the camp ended up on Chris Lydon's bill. It has been four years since it was put on his bill and he never said anything so they thought it was listed on the correct property.

Susan spoke on the difference in amount on his tax bills as they were and if the camp hadn't been added. For the year 12-13 it was \$1147.28 and should have been \$400.22, 13-14 was \$1199.78 should have been \$418.54, 14-15 was \$1199.54 should have been \$418.46, and 15-16 was \$1211.70 should have been \$422.70 for a total difference of \$3098.38 plus interest in the amount of \$1266.78 for a grand total of \$4365.16.

Deliberations followed

Karen recused herself because she is a Lister and gave testimony in a Lister capacity.

Linda called for a vote. All in favor of Abatement- 2 all opposed to abatement- 6. Abatement was denied on the grounds that Mr. Lydon was notified of the addition of a camp and the Listers did their job in the notification process. It was then up to Mr. Lydon to grieve the change in tax which he did not do.

Linda called for other business and there was none.

Susan moved to adjourn and Paula seconded, the ayes have it. Meeting adjourned at 6:50 pm.
