### ABOUT THE PHOTOGRAPHS:

With the completion of the new firehouse, it seemed fitting to feature photos of the Corinth Volunteer Fire Department in this year's annual report. Many thanks to the volunteers and their wholehearted efforts to keep us all safe.

Fire Chief Ed Pospisil took most of the photos presented here. Dina Dubois also contributed a few and Norm Collette dug into the Corinth Historical Society records and found the old annual report covers that appear on pages 25 and 57. We've come a long way!

# NEKWMD: EXECUTIVE DIRECTOR'S REPORT

NORTHEAST KINGDOM WASTE MANAGEMENT DISTRICT

P.O. BOX 1075 LYNDONVILLE, VERMONT 05851

(802)626-3532 OR (800)734-4602 FAX (802)626-3519

[www.nekwmd.org](http://www.nekwmd.org)

The NEKWMD finished 2021 by processing slightly more recycling compared to 2020 – 2,952 tons in 2021 compared to 2,882 tons in 2020. Significant increases in organics, cardboard, and scrap metal offset decreases in mixed paper. Most other material tonnages were at or slightly above 2020 amounts. Recycling markets were very strong for nearly all of 2021.

The District ended 2021 with a surplus of \$74,405.44. Revenues in 2021 were 22% above projections, while expenses were 13% above projections. The COVID19 pandemic did not disrupt our work schedule to any large degree in 2021. In fact, the main impact of the pandemic on District operations was to drive commodity prices to near record levels. Revenues for the sale of recyclables, the surcharge, grants, and recycling pick-up fees were the primary drivers for above average revenues in 2021. Fees used to generate revenues will remain mostly unchanged or decrease in 2022. The per capita assessment will decrease from \$0.94/person to \$0.84/person, the surcharge will remain the same at \$24.99, and hauling fees will remain unchanged at \$49 and \$33/stop for facilities and schools, respectively.

There were no additions or subtractions to the District membership in 2021. We continue to serve the largest geographical area and largest number of towns (49) in the State. Our population served is 3<sup>rd</sup> in the state behind only Chittenden Solid Waste District and the Central Vermont Solid Waste Management District.

The NEKWMD is entering 2022 with a proposed budget of \$846,615.50 – an increase of 4.6% compared to 2021.

The NEKWMD was staffed by nine full-time and three part-time employees in 2021. Each of the member Towns is entitled to representation by at least one Supervisor. The Board of Supervisors is the principal authority over the NEKWMD and the primary means of contact with the member towns. The Board of Supervisors meets monthly with the District's Executive Director to set the direction of NEKWMD policy.

Since the surcharge on trash is based on the amount of waste produced, members have a clear opportunity to control their waste management costs. Costs can decrease as waste generation rates decrease and recycling rates increase.

We would like to express our appreciation to our able staff for their continuing commitment to our mission. The 47,600 residents of 49 Towns throughout the Northeast Kingdom can be assured that the NEKWMD will continue to address their waste management concerns in a timely and environmentally sound fashion.

***NEKWMD Executive Committee***

## LOW COST SPAY/NEUTER PROGRAM FOR PETS

The VT Spay Neuter Incentive Program aka "VSNIP", under the oversight of the VT Economic Services Department, is administered by VT Volunteer Services for Animals Humane Society (VVSA). VSNIP helps financially challenged Vermont residents spay/neuter cats and dogs for \$27.00. The balance is paid by fellow Vermonters when dogs are licensed by an added \$4.00 fee, the major funding for this important program. Funds are determined by the number of dogs licensed, which is required by law when a dog is six months of age. A current rabies vaccination is required to register, and a rabies vaccination can be administered after 12 weeks of age for both cats and dogs.

To receive a VSNIP application, send a 9 inch self-addressed stamped envelope to:  
VSNIP, PO Box 104, Bridgewater, VT 05034

Indicate if it's for a cat, dog or both. For more information, call [802-672-5302](tel:802-672-5302).

Please visit our website: [www.VVSAHS.org](http://www.VVSAHS.org)

## Corinth Annual Report - 1965

### EAST CORINTH FIRE HOUSE

The cement block Fire House erected by the East Corinth Volunteer Fire Department in 1964 is a modern example of the pioneer spirit that still exists among public-minded country folk. The association of fifteen members, helped occasionally by the Rev. David Pearson and Wallace Baker, built with their own labor a sturdy structure 30 feet wide by 40 feet deep on hillside land donated by Mr. and Mrs. Lester Worthley near the center of the village on the east side of the road.

It is designed with twelve foot ceiling, flat bonded roof, and two overhead doors painted red, with a separate steel walk-in door. Heat is supplied by an oil-fired hot air furnace. All doors, windows and lights were a gift from contractor Anthony Manofort of Plainville, Connecticut, brother-in-law of Fire Chief Neil Young. Other officers

are Assistant Fire Chiefs John Pierson, Jr., Lawrence King and Charles Emerson, with Moses Brock serving as Secretary and Treasurer.

Equipment includes a fire truck with two portable pumps and a tank truck with self-contained pump. A wailing fire siren that can be heard far over the country side was installed several years ago at the Bowen-Hunter mill to alert the public.

The volunteers have established an enviable reputation among rural fire departments of similar size during their twenty-five years of organization, saving inestimable thousands of dollars in personal property and woodlands from destruction. Their efforts are not unrecognized by appreciative townspeople who are given a feeling of security under the protection of this experienced band of fire fighters who are on call at all hours of the day or night.

## DELINQUENT TAX REPORT as of December 31, 2021

Total Delinquent Taxes on December 31, 2020	\$101,151.76
Plus 2020-2021 Delinquent Taxes effective at the close of business February 9, 2021	+ 295,187.47
Delinquent Taxes to collect in 2021	\$396,339.23
Less total taxes collected	- 313,762.18
Adjustments	+ 193.88
Balance of uncollected Delinquent Taxes on December 31, 2021	\$ 82,383.17

The Collector of Delinquent Taxes is paid from the commission (penalty) charged to and collected from the delinquent taxpayer. The total penalty collected from delinquent taxpayers in calendar year 2021 and paid to the Collector of Delinquent Taxes was \$18,935.58. The town is only responsible for paying the employers share of the payroll tax costs.

**NOTE – The collection of delinquent taxes and current year taxes are two separate functions of the town and the individual(s) responsible for collecting these taxes are two different individuals. The Collector of Delinquent Taxes is an elected position and is the authorized individual to collect and process payment(s) for delinquent taxes. The Town Treasurer and Assistant Treasurer are the authorized individuals to collect and process current taxes. Therefore, separate checks are necessary and required when making each of these specified tax payments. When submitting your tax payment be sure to send it to the proper person responsible for accepting and processing the payment(s), otherwise it may be returned to you and/or payment processing may be delayed. Do not combine delinquent and current tax payments in one check.**

It was voted at the March 3, 2020 Town Meeting to discontinue listing of the names of the Delinquent Tax payers in the Town Report. Therefore, only the parcel numbers and the principal tax amounts are being reported.

Tax sales are usually held in the spring of the year. Due to COVID and a few other factors the tax sale was held on December 15, 2021. Of the original 11 properties slated for the sale only 2 properties actually went to sale.

Property sold at tax sale may be redeemed within one year from the day of sale in accordance with 32 VSA 5260. However, “when the time for redemption has passed and the land is not redeemed, the collector or his or her successor shall execute to the purchaser a deed, which shall convey to him or her a title against the person for whose tax it was sold and those claiming under him or her.” Pursuant to 32 VSA 5261

Pursuant to 32 VSA 5254b, the owner of a property being sold for taxes may request in writing, not less than 24 hours prior to the tax sale that a portion of the property be sold. Such request must clearly identify the portion of the property to be sold, and must be accompanied by a certification from the District Environmental Commission and the Town Zoning Administrative office that the portion identified may be subdivided and meets the minimum lot size requirements.

Taxpayers may request abatement of taxes pursuant to 24 VSA 1535 by written request to Corinth Board of Abatement c/o Corinth Town Office, PO Box 461, Corinth, VT 05039.

The following policy was established for the collection of delinquent taxes. It is mailed with both the February and March Delinquent Tax Collectors Notice and as necessary thereafter.

*Continued on next page*

TOWN OF CORINTH  
POLICY FOR COLLECTION OF DELINQUENT TAXES  
FEBRUARY 17, 2000

1. As soon as the warrant has been received, and each month thereafter, the Collector of Delinquent Taxes will send a notice to each Delinquent Taxpayer. Interest is assessed at 1/2% per month. A one-time penalty of 8% will be assessed on all unpaid delinquent 1st installment principal tax amounts. A 3% penalty will be assessed on all unpaid 2<sup>nd</sup> (final) installment delinquent principal tax amounts. The month following the final installment due date, an additional 5% penalty will be assessed on all remaining unpaid 2<sup>nd</sup> (final) installment delinquent principal tax amounts. In accordance with 32 VSA 1674(2)(3)(A).
2. Make payments payable to Town of Corinth. **Mail to:** Susan L. Fortunati  
Collector of Delinquent Taxes  
440 Rollie Day Road  
Corinth, Vermont 05039  
Separate checks are required when paying delinquent taxes and current year taxes – do **NOT** combine payment into one check.
3. Payment(s) that would leave an unpaid balance due of less than \$100.00 will not be accepted.
4. Partial payments will be applied first to the interest portion of the amount due; the remainder will be divided proportionally between the principal amount of the tax and the penalty.
5. If a check is returned due to insufficient funds, acceptance of personal/business checks will be at the discretion of the Collector of Delinquent Taxes and the Collector may require payment to be made with guaranteed funds (i.e. cash, bank or treasurer's check or postal money order.)
6. There will be a \$25.00 "return check" fee imposed for each check returned unpaid by the bank. Any acceptable payment received, will first be applied to cover the return check charge, remaining funds will then be applied as outlined in item #4 of this policy.
7. Post-dated checks are not acceptable.
8. Taxpayers may request an abatement of taxes pursuant to 24 VSA 1535 by written request to the  
Corinth Board of Abatement  
c/o Corinth Town Office  
PO Box 461  
Corinth, VT 05039
9. Payment arrangement requests to avoid tax sale must be submitted in writing to the Collector of Delinquent Taxes. The Collector of Delinquent Taxes will furnish a written response either accepting or denying the request.
10. Once accounts have been submitted to the Attorney in preparation for tax sale, payment must be by cash, money order, bank, treasurers or certified check. Personal checks will not be accepted. Call before sending final payment to insure the correct amount. 32 VSA 4874
11. Pursuant to 32 VSA 5254b, the owner of a property being sold for taxes may request in writing, not less than 24 hours prior to the tax sale, that a portion of the property be sold. Such request must clearly identify the portion of the property to be sold, and must be accompanied by a certification from the District Environmental Commission and the Town Zoning Administrative Office that the portion identified may be subdivided and meets the minimum lot size requirements.

## HOME IMPROVEMENT LOAN

There were no new Home Improvement loans issued in fiscal year 2021. The year ended with four loans on the books. Three of the outstanding loans are not being actively repaid.

The Home Improvement Loan fund ended fiscal year 2021 with \$11,573.58 in loan receivables and a cumulative surplus fund balance of \$21,166.68.

Anyone interested in applying for this low interest loan may request an application by contacting any one of the committee members. The application is also available on the town website at [corinthvt.org](http://corinthvt.org) under the Committees tab. There are financial income limits as noted below in the “Requirements” outline.

The Loan Committee members are Nancy Ertle, Dick Kelley, Virginia Barlow, Raymond Moulton and Linda Weiss. Anyone interested in serving on this Committee, please let the Selectboard know.

Respectfully submitted,  
Dick Kelley  
Loan Committee Treasurer

### **Requirements:**

1. Applicant(s) must be a Corinth resident and will be required to complete and file an application form, provided by the Loan Fund Committee. Applications are available at the Town Treasurer’s Office.
  - a. The Committee may require a co-signer if deemed necessary.
2. Applicant(s) must be within the approved financial guidelines set and approved by the Loan Fund Committee to qualify for a low interest loan. (*WIC Income Eligibility Guidelines plus 10%*)
3. Funds must be used only for “home improvement” projects on property located in Corinth.
4. Maximum loan amount issued will be \$5,000.
5. No loan shall be issued for the payback period to exceed a maximum of 48 months.
6. Only one loan per applicant(s) may be maintained at any one time – (i.e. John Smith and Mary Jones have a current joint loan; neither John Smith nor Mary Jones may qualify for a second loan individually nor with another party as long as their name is associated in any way with a current outstanding loan).
7. Subordination agreements will not be granted.
8. Financial documentation such as the most current income tax return(s) and other sources of income may be required for review by the Committee members.
9. Current loan obligations, monthly expenses, and any other reasonable information may be required for review by the Committee members.
10. The applicant shall provide a file copy of adequate insurance to the Town upon receipt of the approved funds.

### SELECTBOARD

**July 1, 2020 – June 30, 2021**

What a year! The pandemic ebbed and flowed and we had our annual meeting outside in May under a tent. Believed to be a first in our town's centuries-old history. We held all of our selectboard meetings by Zoom and are now waiting to see what the legislature will authorize for changes to the format for annual meeting 2022. Regardless, the selectboard continued taking care of the town's business.

This year saw the retirement of long-term selectboard members Steve Long and Chris Groschner, who we thank for their tireless efforts, and we saw Carl Demrow and Nick Kramer step up to take their place. We have seen other residents get involved, filling many of the open slots for appointed officers and commission members, but we still have a number of openings, both paid and volunteer. We hope to see other residents come forward to fill those positions so that the town will not find it necessary to search for paid professionals to fill any voids.

Work continued on the fire station with the addition of a solar array on the roof to help offset the costs of heating the building. The Corinth Community Coalition was very active helping our residents in need and is currently working on establishing an internship program for the middle school students at Waits River Valley School. The town was the pass-through entity for a grant to renovate the Blake Memorial Library and make it ADA (American Disabilities Act) compliant. The town was also the recipient of a generous grant to provide for the construction of a parking lot at the town forest large enough to accommodate school buses, increasing the forest's potential as an educational tool, and the town adopted a policy to reimburse residents who take it upon themselves to remove and dispose of roadside trash provided they first seek selectboard authorization.

And last, but not least, the town has started to receive what will be in excess of \$400,000 in American Rescue Plan (ARPA) funds for improvements to the town's infrastructure. Former selectboard member Steve Long has generously agreed to chair the committee seeking public input on how best to allocate these funds, which effort may be well underway by the time this report is sent out.

Thanks go out to our elected officers, road crew and maintenance employees, appointed officers and commission members, volunteers, and to all Corinthians for their continued support of our town.

Respectfully submitted,

Rick Cawley, Chair  
Carl Demrow  
Nick Kramer

## TOWN TREASURER

**General Fund.** The General Fund ended fiscal year 2021 with a deficit of \$27,359, which reduces the overall cumulative surplus fund balance to \$213,013.

Total budgeted revenues were \$424,933, which included the use of \$51,860 from the prior year surplus fund balance. Actual revenues were \$374,503, or \$50,430 less than anticipated.

Total budgeted expenditures were \$424,933. The amount spent was \$401,862, or \$23,071 below budget.

The revenue shortfall of \$50,430 combined with the expenditure surplus of \$23,071, results in an overall deficit of \$27,359.

The surplus carried forward from prior years of \$240,372, paired with the overall deficit of \$27,359, reduces the surplus fund balance to \$213,013 on June 30, 2021.

\*\*\*\*\*

**Highway Fund.** The Highway Fund ends the 2021 fiscal year with a surplus of \$36,089, which when added to the surplus fund balance of \$159,731 creates a new cumulative surplus fund balance on June 30, 2021 of \$195,820.

Budgeted revenues and expenditures were both set to \$792,425, which included the use of \$46,500 from the surplus fund balance. Actual revenues were 816,749, while actual expenditures were \$780,660, creating an operating surplus of \$36,089.

Progress is slow but steady when it comes to improving financial processes, documentation of work flow, and creating redundancies of critical processes (Although you might not think so when you see the state of my desk!). Assuming the position of Town Treasurer just at the start of universal lockdowns, with the ending of in-person training seminars, was (and is) quite a challenge. To this day, it takes longer for many tasks, especially those involving interacting with outside offices, such as state offices, insurance companies, vendors etc. On the plus side, being able to draw assistance from Suzanne Hansen, Susan Fortunati, and Karen Galayda makes the work easier. Thank you!

Dick Kelley, Treasurer

## CEMETERY COMMISSION

It was a busy and productive year, especially this past summer. As is true every year, we continued the normal maintenance, along with filling in sunken graves and stone straightening and cleaning as time allowed. This year we focused on taking a closer look at our investments and making them work better for us and for the Treasurer's office moving forward. In the past few years, turmoil in the Treasurer's office has made our financial position a bit murky, but hopefully we are now headed in a positive direction. Consequently, we are able to reduce our budget request significantly for the upcoming year. We would like to thank the Select Board for their assistance and the town for the continued financial support through the budget. We are always here to answer any questions you might have concerning anything to do with Cemetery business. Don't hesitate to reach out to one of us.

Sincerely,

Raymond Moulton, Chair  
Norm Collette  
Geoffrey Hoots  
Cemetery Commissioners

## CONSERVATION COMMISSION

The Corinth Conservation Commission has continued its educational outreach this past year with Conserving Corinth's Rural Character programs centered around our work to raise awareness about Act 171 and the goals of maintaining and protecting forest blocks and wildlife corridors. To further that goal, we teamed up with the Blake Memorial Library to hold a number of programs. We hosted **Jens Hilke** from the Vermont Department of Fish and Wildlife to talk about Forest Blocks and how the BioFinder mapping program can be used to identify crucial habitat that connects Corinth's forests to the surrounding large forest blocks. We also cosponsored a talk by **Steve Hagenbush**, a forester for the Audubon Society, to look at how to manage forest lands for bird habitat. Other programs held with the library included a story walk in the FX Shea town forest and a butterfly talk with **Kent McFarland** in the town orchard and a bird walk with Bill Shepard. We held one final talk in December hosted by Redstart Forester Ben Machin on ways to preserve the health of our rivers and streams by utilizing stream woody additions. This method of enhancing stream and river fish habitat mimics the natural process of introducing vegetation into and over waterways to create cool, shaded, and protected areas that are beneficial to fish and other aquatic life.

The Conservation Commission raises funds for these projects by collecting redeemable bottles at the town transfer station and then transporting them to Bradford to be redeemed. This past year, we began splitting the task and the proceeds with the newly formed Corinth Community Coalition. You can now find our receptacles for depositing your redeemable bottles in the container next to the recycling dumpsters. Thanks to Joe Blodgett of the Highway department for finding this container and having it hauled to Corinth for us, and thanks to the town road crew for setting it in place. This will make the task of collecting and storing the bottles much better for everyone!

And speaking of the transfer station, a big thanks to Ginny Barlow for obtaining yet another grant for the town to spruce up the front entrance of the transfer station. The State Department of Forests, Parks, and Recreation grant for \$1000.00 purchased three trees and materials to ensure their growth and survival, which were planted in the berm between the two gates at the entrance. Along with the trees, volunteers also helped to plant flowers to beautify the area. Grants are an important source for the work of the Conservation Commission, and town support is essential for qualifying for grant funding since many grants require some matching or in-kind support in order to be awarded a grant. This is why the Conservation Commission makes a small request for funding from the town every year. The two hundred dollars we receive annually from the town assures that we will qualify when we apply for grants. In addition, those funds help pay for our projects, including printing educational materials and maps for the town trails we maintain.

Looking ahead to the coming year, we are taking on another big project. Thanks to a generous grant from a foundation we will be building a parking lot in the FX Shea Town forest and upgrading the road to the forest to keep cars off the roadway and to create adequate parking for hosting groups and programs in the forest.

We wish to thank all the volunteers who help support the work of the Commission - from our bottle donors and collectors to those who weed and mulch the trees in the town orchard located behind the town hall in Cookeville. A big appreciation, as well, to the Commission members for turning out to Conserve Corinth's natural environment and character.

Respectfully submitted by Glynn Pellagrino

## CORINTH COMMUNITY COALITION

The vision of the Corinth Community Coalition recognizes our town as a great place to live for all residents, where neighbors are connected to each other and aware of community resources. While we take pride in our town's diverse and appealing landscape and the sense of community clearly evident in Corinth, we have also learned like other Vermont communities, we have many folks who struggle.

During the past year we continued our efforts to support local residents. Based on a suggestion by Steve Long, we completed our Neighbor To Neighbor program by calling as many of our senior citizens as possible to check in as you might do with your neighbor. Many thanks to those callers: Ginny Barlow, Marian Cawley, Carl Demrow, Liz Davis, Glynn Pellagrino, Tim O'Dell, Tania Aebi, KellyAnn Donahue, Catherine Tudish, Dan Carter, Alice Mower.

The Coalition also delivered weekly meals to clients of the Little Rivers Health Clinic. Our thanks to Laforest Notman and Catherine Tudish for their efforts.

We made sure the East Corinth General Store had a ready supply of protective and disposable masks for local shoppers. Over 1,000 masks were donated to the store with donations from Sandy Spiegel and the Little Rivers Health Clinic.

In the early spring, our Coalition began a collaboration with the Corinth Conservation Commission to collect recycled cans and bottles at the town transfer station. The proceeds have enabled both organizations to finance future projects. We appreciate Dwayna and Raymond Covey, Carl Demrow, Sandy and Jeff Spiegel for participating in this project.

During the year, when we were called to assist in cases involving the Town Health Officer and Town Service Officer, we began researching those positions and how other Vermont towns use them. As a result, we developed a job description for the Town Service Officer who would serve as a referral agent for the town to connect residents with supportive local, county and state agencies. In mid November, the Select Board accepted our job description for Town Service Officer and in mid December, they elected Catherine Haley to that position.

But we were not done! We realized that many residents were unaware of the many agencies to assist those needing supportive services. To that end, our leadership team attended a 211 informational training from its coordinator for the entire eastern part of Vermont, Carmina Garciadialba. We learned that by simply calling 211, anyone can be connected to the appropriate agency addressing their need. As a result of that training, Brian and Christiane Carroll created resource posters that identified organizations and their contact information to assist with food access, transportation needs, child care and educational services, mental health issues, substance abuse and counseling services, housing and heating challenges, healthcare and COVID-19 information. Those posters are now displayed at the Town Hall, at local businesses, and in Bradford.

Our intended implementation of a Teen Apprentice Program, a collaboration with the Waits River Valley Middle School, has been severely hampered by the pandemic. Although we have 13 local residents willing to be apprentice teachers to middle school teens interested to learn first hand about their teacher's trade, craft or business, we've been forced to wait until the health status of our state improves.

During the fall, we began considering how the town might use some of the \$148,000 it will receive from ARPA (American Rescue Plan Act). We asked the Select Board to consider using some of those one time funds to increase the town's annual support for the following organizations:

1. Safeline, a program that works with individuals and families experiencing domestic, child and sexual abuse;
2. Little River Health Clinic in East Corinth village;
3. Northeast Slopes;

4. Blake Memorial Library;
5. Orange East Senior Center;
6. Orange County Child & Parent Center;
7. Corinth Volunteer Fire Department;
8. Corinth/Topsham Little League;
9. Corinth Community Coalition;
10. Clara Martin Center;
11. Tri-Valley Transit;

Each of these organizations met our criteria of serving local residents, including youth and the elderly, and those impacted by COVID-19 restrictions.

We are considering a collaboration on a fund-raising project for Veteran Suicide Prevention that local resident and veteran, Jason Mosel, is planning at Northeast Slopes. This event will take place at the end of July 2022.

Finally, we have been discussing and collecting information for creating a Corinth Small Business Directory. Should we take on this project, our goal would be to support Corinth businesses with an online directory that encourages Corinth shoppers to buy local.

We are fortunate to have members on our leadership team with experience in healthcare, elder care, education, psychology, community action, spiritual health and diversity training. We have been meeting monthly for over a year. Our discussions and action plans have inspired each of us to find ways to live up to our mission of helping others. Our thanks and gratitude to the following individuals:

Andrew Barter: Little Rivers Health Care administrator;  
 Carole Freeman: Retired pre-K through college educator;  
 KellyAnn Donahue: Pastor of the East Corinth Congregational Church;  
 Alice Mower: VT Council on Aging volunteer;  
 Christine Packard: Hospice Caregiver, Death and Dying Doula;  
 Sandy Spiegel: Retired psychologist, diversity consultant;  
 Jeff Spiegel: Retired educator, Mentoring Project of the Upper Valley board

## CORINTH FIBER INITIATIVE (COFI)

CoFI continued to meet in 2021 as needed, usually virtually. We are keenly aware of the lack of broadband for most homes in Corinth. We use the official federal definition of broadband, 25 megabits per second (mbps) downloading from the internet and 3 mbps uploading files to the internet, but note that new federal funding is targeting service at 120 megabits in both directions.

Throughout the pandemic, CoFI members responded to questions from new or would-be residents about the status of broadband in Corinth. We offer a “straight facts” status of internet service in response to those inquiries, and do not speculate on service that is not yet available. CoFI communicates with the Selectboard on the status of broadband availability and telecommunications matters and arranged the installation of free “hotspots” at Town Hall, East Corinth General Store, and Blake Memorial Library. These facilities are impacted by the bandwidth available at those locations. CoFI has informally suggested that the Selectboard consider applying ARPA funding to access broadband services for community facilities.

On November 16, 2021, CoFI held a town fiber forum in person and by zoom that offered information directly from Topsham Telephone (Bryan Marteeny, General Manager), ECFiber (F.X. Flinn, Chair of the Governing Committee), and the Department of Public Service (Clay Purvis, Director of Telecommunications). The panel

*continued on next page*

was moderated by Selectboard member Nick Kramer. The session, which ran overtime, was attended by over 50 residents of Corinth and surrounding towns. Future Topsham Telephone and ECFiber installations were discussed. Topsham Telephone also discussed the change in rates (downward) for fiber customers compared to cable / DSL rates. DPS representative Clay Purvis and ECFiber's Flinn discussed the gradual demise of copper-wire landline telephone, and the need for battery back-ups for fiber service, which will eventually be used to run the telephone system in a digital network called "Voice Over Internet Protocol" (VOIP).

Bryan Marteeny, Topsham Telephone General Manager, called for community support in a proposed grant application to the Vermont Capital Investment Program (State of Vermont's program distributing federal dollars). The grant application is for \$1.49M, to be matched by Topsham Telephone. If this grant is received by Topsham Telephone, Corinth will see additional fiber construction along Route 25 in 2022 - 2023. In late 2020, Topsham was awarded over \$973,000 in grant funding by the Department of Public Service to connect addresses in Corinth and Topsham.

Corinth continues to participate in the Governing Board of ECFiber. Ed Childs is the first representative, with Tim O'Dell and Dick Kelley as alternates. ECFiber is funded entirely by customer revenues, which in turn back tax-free municipal bonds issued by the district to raise capital to build our infrastructure. This model is now the state's strategy for solving the rural broadband crisis and eight CUDs like ECFiber are working hard to get going. The once-in-a-lifetime ARPA funds the state received for broadband have been put into the Vermont Community Broadband Fund. (Holly Groschner, formerly Corinth's delegate to ECFiber, has been appointed to the Vermont Community Broadband Board).

ECFiber is tapping VCBF funding to plan fiber construction in Corinth. You are encouraged to visit ECFiber's website, [www.ecfiber.net](http://www.ecfiber.net), to learn more about ECFiber. Please "subscribe" to show your interest in ECFiber's construction in Corinth. Our show of interest will be used to gauge construction plans and ECFiber investment. You won't be charged anything until ECFiber contacts you to arrange service.

CoFI meets on an as-needed basis. Its standing members include Edward Childs, Holly Groschner and Tim O'Dell. For more information and a recording of the November 16, 2021 forum please go to <https://corinthvt.org/services/internet/>. It is important that you show your interest in broadband in order to ensure Corinth continues to move forward with this important resource.

Respectfully submitted,  
Edward Childs, Holly Groschner, and Tim O'Dell

## CORINTH HISTORICAL SOCIETY

The Corinth Historical Society had great turnouts at all of its summer open museum & cafe events this year, and folks attending were generous and happy to be out after the previous most trying year of COVID-19 lockdowns, wherein no events were scheduled.

We worked hard to set up new exhibits in the museums nearly every week, and this turned out to be favorable with attendees and brought many folks into the museums. Some of the exhibits were popular enough that they were left on exhibit the following week. This also allowed visitors to see, study & enjoy more of our permanent exhibits such as the Pike Hill Mines exhibit, the Bowen Hunter & Jackman Bobbin Mills exhibit, the Corinth Plates exhibit and the Carriage & Old Town Hearse exhibit along with the Eleanor Porter exhibit. The most recent gift to the collection was of one of two antique wall clocks that once graced the East Corinth School. Hosts/hostesses added to the pleasure of these events by supplying their delectable goodies and overseeing the refreshment tables.

This year we put all of our history research binders up against the front wall of the Academy, and it turns out that

we now have close to 18 lineal shelf feet of research binders. The late Judy Drury devoted a great deal of time and energy to create binders for the various categories of town history. Besides going through our large collection of assorted artifacts and information, she found material from local and distant sources that the CHS had not yet gathered, and organized everything into categories. She basically started what we like to call the Encyclopedia of Corinth History for us. We are working to index and copy this collection so that we can keep a few feet of them at the Blake Memorial Library for reference. This is no small project.

Work continues behind the scenes for folks who reach out to us for historical information, mostly genealogy, and this helps add to our collection of information and on occasion brings in donations for our efforts.

The Academy has a new park bench, and the overgrown trees along Cookeville Road were cut and trimmed thanks to a generous neighbor. A lighted tree continues to grace the Academy lawn for the holidays.

Fundraising: The CHS needs close to \$3,000.00 to meet its annual basic budget and of this the cafes, on a good year bring in between \$600.00 - \$800.00. This, along with various donations and a very sizable donation these last few years from an anonymous donor, have been a saving grace during these times. We have not had any winter programs for some time, but we hope to begin again once it is easier to do so.

Investment Fund: We are looking into the feasibility of an interest earning investment fund for the Society's long term needs and we hope to be able to establish such a fund in the near future.

If you would like to make a tax deductible donation to help us fulfill our mission, please send along to:

Corinth Historical Society C/O Elaine Smith Treasurer, 88 E. Orange Rd. West Topsham VT. 05086

General correspondence can be sent to: The Corinth Historical Society, C/O Norm Collette, 2283 Backway Rd. Corinth VT 05039 or call 802-685-3812

We sincerely Thank all who have contributed in any way to the continued success of the Corinth Historical Society!

Respectfully Submitted,  
Norm Collette CHS Vice President

## LISTERS

This past year has seen much volatility in the real estate market. Many properties have changed hands and they are selling for an average – for developed property – of 28% above assessed value. Undeveloped land with good access is selling high as well. As this upswing is not confined to Corinth (or to Vermont) we are hopeful the State will offer a solution for our equalization statistics, rather than subject all towns to hired reappraisals.

As I reported last year, the State is in the process of switching vendors for the Grand List program. It is going to be a GIS based program which is a new concept for us. Training has begun (with no charge to the towns, except for the time spent) and will continue through June of 2023 when the new program will be fully implemented.

Many of the small towns in Vermont, Corinth included, are experiencing difficulty in retaining a full board of listers. The State offers the option of hiring an assessor, either to replace or to supplement the board of listers. Not only is it much more expensive, but there are very few qualified assessors available. To forestall this option, I am in conversation with other local listers who face the same challenges and we are attempting to find a way to help each other.

***Reminder: If you are a Vermont resident you MUST file HS-122 (Homestead Declaration). If you file after the deadline, you will receive a penalty and not benefit from a residential tax rate.***

## PLANNING COMMISSION

The Planning Commission had a quiet but productive year. The six members of the PC continued to meet and carry on with business despite the complications and restrictions brought about by the pandemic. In addition to its work hearing applications for permits under the Town's Subdivision Bylaws, the PC began the process of reviewing the Action Plan in the Town Plan to determine what initiatives the PC should undertake. This review led the PC to examine the Town Highway ordinance. After consultation with the Road Commissioner and Foreman, The PC submitted recommendations for changes in the ordinance to the Select Board. The PC hopes to continue this review.

The PC has been a smoothly running Commission in part because of Karen Galayda's work as the Town Administrative Officer. The PC will miss her and the depth of knowledge and experience she brought to the job. The PC will continue to meet on the first Thursday of each month and the public is always welcome to attend.

Kerry DeWolfe, Chair

## ROAD COMMISSIONER

The past year being from 1 July 2020 through 30 June 2021 has been anything but normal with the Covid pandemic. Everyone including the road crew has had to make adjustments accordingly and hopefully the situation will get better. The winter was within the realm of normal. Again the salt and sand usage seemed to be what we had expected, and the salt and sand prices seemed to be stable. Our dedicated road crew handled the day to day challenges to make sure travel was safe for everyone including emergency equipment as well as school busses.

This year we had the Maplewood Culvert Structure Grant which had a Project cost of \$103,745.00. There were expenses of \$87,040.75 and a net for the town of \$16,604.30.

Under the Structure Grant we had a culvert repair on Fairground Road with a total project cost of \$15,210.00. Because of the grant there was no cost to the Corinth taxpayers.

We also did paving from 1160 Goose Green Road to Young Road. This had a project cost of \$152,148.00.

I believe this compiles all the major projects which were completed. The rest of the work would be grading, culvert replacement, roadside mowing, and all necessary maintenance as needed.

Joe, Nelson, Brian and myself greatly appreciate the support we get from the Selectboard and the townspeople. This kind of support has given us everything we need to our jobs effectively and efficiently.

Everyone stay healthy and safe!  
Lee Porter, Road Commissioner

### 2022 PLAN:

1. Paving town roads as is economically feasible. *Village Road TH#1 is on the radar.*
2. To continue with capital improvements with the help of the Better Back Road project.
3. Stone line ditches, and replacing culverts as needed.
4. To apply to any grants which are feasible to the town.

## TOWN CLERK

There have been so many changes over the last couple of years for municipalities—changes in elections and in-person business to name a few. The office has re-opened to both the public and researchers this year and it has been great to see everyone again. I am hoping we will be able to continue to be open to the public in the future, but with Covid it's hard to know if that will be the case.

Covid has put a scare into the population and has people flocking to Vermont for a safer, better standard of living, which has caused this office to be very busy in the recording department. Sales have been strong and at high costs to the buyers. There are very few properties for sale in Corinth as I write this and the ones that come on the market sell quite fast. I have caught up now, but it kept me very busy trying to keep up for almost a year. Welcome to all our new neighbors!

Since we put our land records online, we have been working hard to scan in the land records so they will be available to the public without them having to come to the office. I want to thank my old assistant Melissa Tatro who helped with this and my new assistant Martha Travis who is continuing to help me. It is a long process. You can go to the website and look up your name to see what documents are recorded here at the town hall. You can view them with water marks, or you can print them for a fee. The web site address is [Corinth.lr-1.com](http://Corinth.lr-1.com).

My office offers notary services, which are free. If I am not open and you need one most all banks have a notary on duty while they are open. Please make sure you do not sign your document before you are in front of a notary. They are swearing you are the one signing the document of your own free will and have to witness you doing it. You can look online at the Secretary of State's website: [sos.vermont.gov/notaries-public/notary-faqs](http://sos.vermont.gov/notaries-public/notary-faqs) for other notaries available in our area.

Since we are now open to the public, I am once again doing car registration renewals. You need to have the original renewal certificate that the DMV sends you and it must be within 3 months of when it was due including the month that it was due. You can also renew them online at the DMV. The address for the website is [dmv.vermont.gov/registrations/renew](http://dmv.vermont.gov/registrations/renew) or call them at 866 259-5368 for their renew-by-phone option. Town Clerks however do not do new vehicle registrations. That is something you must go through the DMV to do. I do have DMV forms available here for the public.

**There are new election laws that have passed this year. For one, the State of Vermont will send ballots to all registered voters for the general elections without an absentee request from the voter. You will need to request a ballot for the primary and local elections.**

Because the State is mailing out ballots to everyone, I have been working hard at updating and cleaning up our check list. We need correct mailing address and voter information. Please go to [sos.vermont.gov/elections/voters/registration](http://sos.vermont.gov/elections/voters/registration) and check or update your information so that there is no hold up in you receiving your ballots. I have made a lot of edits and fixes, but there are still some people whose SS numbers and/or license numbers are not correct or even in the system, which still need validation. If you can't access your 'my voter page' it may be that your date of birth is missing. If that is the case you should call me at the office so I can put it in for you, which will give you access.

Remember to come to Town Meeting to help make the important decisions that keep your town running! As always if you need anything just give me a call and I will see what I can do to help you.

Respectfully submitted,

Nancy J. Ertle  
Corinth Town Clerk

## TRANSFER STATION SUPERVISOR

The Town of Corinth has been a member town of the Northeast Kingdom Waste Management District (NEKWMD) since 2012. The District serves nearly 50,000 residents in 49 member towns. Each of these towns is entitled to representation by at least one supervisor. The board of supervisors meets on the second Tuesday of every month in Lyndonville and sets the direction of NEKWMD policy. The District assists member towns with waste management education and recycling/compost program implementation. The transfer station, now located on Brook Road, is open for business Saturdays from 8:00 am to 1:00 pm. Your supervisors are Bob Sandberg and Marian Cawley (alternate).

Corinth contracts with Casella Waste Management to provide trash collection services and single-stream recycling, and NEKWMD provides “enhanced” or “expanded” recycling for materials that are not collected by Casella. These materials are hauled away periodically by NEKWMD.

The Universal Recycling and Composting Law (Act 148), passed by the Vermont Legislature in 2012, offers Vermonters a set of guidelines and mandates for keeping as much as possible out of landfills. In addition to all mandated recyclables (banned from the landfill as of July 1, 2015), leaf and yard debris and clean wood scraps are also now banned from landfills. To address the law’s requirement that all transfer stations must accept food scraps (as of July 1, 2017), two compost totes are available to residents, one at the transfer station, and one at the end of Bob Sandberg’s Cookeville Composting service driveway on Abe Jacobs Road, where food scraps are processed. (We are pleased that both of these totes are being used by residents!) Act 148 also mandates a “pay as you throw” variable-rate pricing for trash disposal, which is covered by the per-bag fee assessed by Casella (see below). Details about the Universal Recycling Law can be found at [dec.vermont.gov/waste-management/solid/universal-recycling](http://dec.vermont.gov/waste-management/solid/universal-recycling).

NEKWMD also provides the mandated Household Hazardous Waste Collection. Please see the town website for announcements about when and where these collections will take place.

*The town thanks Joan Hayward for overseeing operation of the expanded recycling facility. Special thanks to Jim and Ruth Fontaine for providing manure for the new garden between the entrance and exit.*

### **RUBBISH CHARGES (AS OF 1/20/2021):**

15 gallon bags: \$4.25/bag  
30 gallon bags: \$5.50/bag  
45 gallon contractor bags: \$8.50/bag

### **USED TIRES ARE ALSO TAKEN FOR A FEE:**

up to 17" off rim: \$3  
up to 17" on rim: \$4  
over 17" off rim: \$7  
over 17" on rim: \$14

Casella collected approx. 200 tons of trash and approx. 125 tons of single-stream recycling from the Transfer Station in 2021. In addition, Corinth residents recycled 7.24 tons of special waste through NEKWMD, including aerosol drums (0.08), alkaline/rechargeable batteries (0.36), automotive batteries (0.20), hard-cover books (0.24), e-waste (5.40), light bulbs (0.08), oil filters (0.10), used motor oil (0.20), and plastic bags (0.58—note: recycling of plastic bags was discontinued in August).

**For more information about the NEKWMD district, see the Executive Committee Report and Proposed Budget on pages 4-7. For complete listings of recyclables, including special items that are accepted for no fee, and for current fees for tires and rubbish, visit the town website: [corinthvt.org/services/transfer-station](http://corinthvt.org/services/transfer-station).**

**ENSURE THAT THE ITEMS YOU PLACE IN THE BINS ARE RECYCLABLE!**

### CORINTH-TOPSHAM EMERGENCY RESPONSE TEAM

P.O. Box 58, West Topsham, VT 05086 • [ctertclerk20@yahoo.com](mailto:ctertclerk20@yahoo.com)

2021 was another year full of challenges for our community. COVID19 is still with us and has touched us all in one way or another. Our call volume keeps increasing to levels we have never seen before.

We have gained six new members and finally was able to sponsor an EMR class this fall. We are still waiting for students to complete their testing, but hopefully will gain more members soon! In December we sponsored Covid vaccine clinics at Waits River Valley School.

We were impressed with the number of people who came for their boosters and even their first shots. We are planning at least one more clinic in 2022.

We would like to thank the communities we serve for their continued support. We are always looking for volunteers and will pay for their education for anyone planning to be a CTERT member. We can be contacted at [ctert58@yahoo.com](mailto:ctert58@yahoo.com) or [ctertclerk20@yahoo.com](mailto:ctertclerk20@yahoo.com).

## BLAKE MEMORIAL LIBRARY

676 Village Rd, P.O. Box D, East Corinth, VT 05040 • 439-5338 • [blakememorial.org](http://blakememorial.org)

Blake is a publicly supported non-profit public library operating under 501(c)(3) tax-exempt status. We are so grateful for our staff, volunteers, community, and donors for the support received in 2021 as we continue to navigate the COVID-19 pandemic. The generosity of our donors, an American Rescue Plan Act (ARPA) grant for Public Library Equipment and Supplies, Paycheck Protection Program funding, Vermont Humanities Council grants, and endowment funds allowed Blake Memorial Library to keep our doors open, expand into providing 4 weeks of free children's camps and continue our programming. The contribution of two dollars per capita from the residents of Corinth has also been helped us to continue to provide many resources and services.

Here are some of our many offerings:

- Almost 20,000 books, videos, and audiobooks available for loan, with items added monthly
- Access to downloadable e-books and audio books
- Rotating collection of videos and audiobooks from the Librarians of the Upper Valley
- Circulating and non-circulating periodicals
- Kanopy movie-streaming
- Public access desktop and laptop computers
- Help accessing and using technology
- Local history resources and special collection
- Printer, copy machine, fax machine
- Large print book collection and quarterly rotating collection
- Interlibrary loan service
- Local conservation resources
- Vermont attraction passes
- Children's board book tote bag kits
- Access to LearningExpress (a job search, job skills training, and test prep service)
- Access to Universal Class
- Access to America's historic newspapers
- Access to the Digital Public Library of America
- Access to Vermont genealogy resources
- Access to the Vermont Online Library
- Weekly Story Hour for children
- Regular book discussion series
- Take-home science and craft kits
- Meeting space available for community use
- Exhibits featuring local artists
- Summer Reading Program, complete with activities, events, and prizes
- OneCard Network
- Toy lending library

We have learned to adapt and be flexible as we strive to provide excellent service to the community throughout the pandemic. In July we re-opened the library to our full hours while continuing to offer curbside service to patrons who would prefer not to enter the library during this time. Mask policies have changed according to levels of local community spread of COVID-19. Programs were held outdoors under our new grant-funded tent during the warmer months. ARPA funding has also enabled us to purchase high grade air purifiers to make our indoor environment safer. Virtual programming is resuming as the weather gets colder and we plan to use our new Meeting Owl, acquired with ARPA funding, to offer hybrid virtual/in-person programming.

The strategic planning committee and Board of Trustees completed and approved a 5-year plan (2021- 2026) that will be updated as needed twice a year. This was supported by an American Library Association *Libraries Transforming Communities: Focus on Small and Rural Libraries* grant. Community input was obtained through surveys and a community forum which occurred in July under our new tent.

We wish to thank our large group of dynamic and energetic volunteers for sharing their time and talents with the library and the community. They help keep the library running by staffing the circulation desk, processing new books, managing interlibrary loan services, recommending books and other items for our collection, returning

*continued on next page*

books to the shelves, and much, much more. This assistance allows our small staff to offer first-rate services and programming to our community.

Our vision: *Blake Memorial Library is a community resource developed by community members to promote learning and sharing. We aim to encourage the people of Waits River Valley to read, to explore, to think critically and creatively, and to come together to share ideas and inspire each other; we strive to provide them with the tools to do so. Blake Memorial Library supports civil discourse to strengthen and preserve democracy.*

## CORINTH VOLUNTEER FIRE DEPARTMENT

P.O. Box 294, East Corinth, VT 05040

It's been another good year for the members of the Corinth Fire Dept. This year building fires were lower as were brush fires. Carbon monoxide calls were also down. There were a few car accidents.

The good news is that we are in the new fire house and membership is at its peak with 25 members on the department — both men and women!

We had an open house in the fall that was very well attended. The crew enjoyed showing Corinth residents a tour of the building and some of our equipment. Thanks to everyone who helped put the open house together. Solar panels have been installed on the roof and the heating is working well.

We hope everyone enjoyed the Fire Department's trick-or-treat at Halloween and the merry lighted fire truck with music that rambled through Corinth just before Christmas.

**IMPORTANT: Please mark your house or mailbox with your street number so fire trucks and EMS personnel can find your location quickly. Every minute counts in an emergency! And, don't forget to replace your smoke detectors every 10 years and change batteries every year.**

**In an emergency, call 439-5115 or 911.**

Please stop by your fire house and chat with members.

Thank you,

Chief Ed Pospisil and officers and members of the Corinth Volunteer Fire Department

## UPPER VALLEY AMBULANCE SERVICE, INC.

5445 Lake Morey Rd, Fairlee, VT 04045

(802) 333-4043 • [info@uppervalleyambulance.com](mailto:info@uppervalleyambulance.com) • [uppervalleyambulance.com](http://uppervalleyambulance.com)

At the October 21, 2021 meeting of the Upper Valley Ambulance Board of Directors, the proposed budget for 2022 was passed unanimously.

We have done our best to build a fiscally responsible budget that meets the needs of the communities that we serve. This budget supports an ambulance replacement schedule that ensures that we have the most up to date and reliable sources of transportation for the sick and injured that reside and travel through your communities. In order to keep up with the rising cost of living in our area and to have competitive wages in order to recruit new folks and hold onto the valuable ones that we have, as well as account for substantial raises in insurance rates we are forced to increase our fees to the Towns that we serve. The Board of Directors and I have worked hard to cut the budget where we can to help make up for the increases in wages and insurance.

This budget only allows for a 0.49% profit margin. This is an extremely small margin to work with, but we feel that with extreme diligence, we can continue to provide quality care and transportation with this budget.

Since there is no forecast for an increase in reimbursements by health insurance plans or Medicare and Medicaid, the increase in our expenses will have to result in an increase in the fee to our towns.

In 2022 we need to increase our per capita rate by \$3.00/person bringing the total per capita rate to **\$49.00/person**. The 2020 census numbers are out and we will be using that data.

The census number for the Town of Corinth went up by 88 (6.44%) bringing the total population to 1455. When the new per capita rate is calculated, the total annual fee for the Town of Corinth will be **\$71,295.00**, which is up \$8,413.00 from 2021.

As always UVA's policy is that our financial operations are transparent to our communities. Any member of town leadership wishing to review our books should please make an appointment with me to do so. In addition, as in previous years, I offer the communities the opportunity to schedule a time when I can meet with either your Selectboard or budget committee. The best way to contact me is to send me an email at [alan@uppervalleyambulance.com](mailto:alan@uppervalleyambulance.com) and we can arrange a mutual time for a phone call to discuss any questions or concerns, or to set up a day/time for me to meet with your town's leadership.

Upper Valley Ambulance continues to appreciate the support of the towns we serve, and we reciprocate by providing you with high quality emergency medical services.

Best regards,

Alan Beebe  
Executive Director,  
Upper Valley Ambulance

### AMERICAN RED CROSS NORTHERN NEW ENGLAND REGION [redcross.org/vermont](http://redcross.org/vermont)

**Orange County Service Delivery: July 1, 2020 - June 30, 2021**

#### Disaster Response

In the past year, the American Red Cross has responded to **6 disaster cases in Orange County, providing assistance to 32 individuals**. Most commonly, these incidents were home fires. Red Cross workers were on the scene to provide food, clothing, lodging, emotional support, and more to families during their hours of greatest need. Our teams also provide Mass Care to first responders. Things like food, water, and warm drinks strengthen the brave men and women of your local Fire and Police Departments as they answer the call to keep your residents safe.

#### Service to the Armed Forces

We proudly assisted **12 of Orange County's Service Members, veterans, and their families** by providing emergency communications and other services, including counseling and financial assistance.

#### Blood Drives

During the last fiscal year, we collected **714 pints of lifesaving blood at 21 drives in Orange County**.

#### Training Services

Last year, **329 Orange County residents** were taught a variety of important lifesaving skills such as First Aid, CPR, Babysitting Skills and Water Safety.

#### Volunteer Services

**Orange County is home to 1 American Red Cross Volunteer**. We have volunteers from all walks of life, who are trained and empowered to respond to disasters in the middle of the night, to teach safety courses, to help at our many blood drives, and so much more. The American Red Cross is proud that 90% of its staff is made up of volunteers; they are truly the heart and soul of our organization.

## CENTRAL VERMONT ADULT BASIC EDUCATION

24 Barton St, Suite 1, Bradford, VT 05033 • (802) 222-3282 • [cvabe.org](http://cvabe.org)

Central Vermont Adult Basic Education, Inc. (CVABE), a community-based nonprofit organization has served the adult education and literacy needs of Corinth residents for 56 years.

CVABE serves as central Vermont's resource for free, individualized academic tutoring for individuals (ages 16-90+) in:

- Basic skills programs: reading, writing, math, computer and financial literacy
- English Language Learning and preparation for U.S. citizenship
- High school diploma and GED credential programs
- Academic skill readiness for work, career training and/or college

Corinth is served by our learning center in Bradford. The site has welcoming learning rooms (with computers, laptops and internet access to support instruction). CVABE staff and volunteers also teach students at the library or other local sites as needed.

**On average, 5 Corinth residents enroll with CVABE, and one resident engaged in our free services last year.**

Additionally, one to two Corinth residents volunteer with CVABE annually. Teachers instruct students one-to-one and/or in small groups. Each student has a personalized education plan to address his/her learning goals. These goals might include: getting or improving a job, earning a high school credential, helping one's children with homework, budgeting and paying bills, reading important information, obtaining a driving license, preparing for college, gaining citizenship, and more. **Children of parents with low literacy skills have a 72 percent chance of being at the lowest reading levels themselves, and 70% of adult welfare recipients have low literacy levels. By helping to end the cycle of poverty, your support changes the lives of Corinth residents for generations to come.**

CVABE provides free instruction to nearly 450 people annually in the overall service area of Washington, Orange and Lamoille Counties. It currently costs CVABE \$3,927 per student to provide a full year of instruction. Nearly all students are low income. Nearly 100 community volunteers work with CVABE's professional staff to meet the large need for these services while keeping overhead low.

We deeply appreciate Corinth's voter-approved past support. This year, your level support is again critical to CVABE's free, local education services. Only a portion of CVABE's budget is comprised of state and federal support. Funding is needed each year from the private sector and from the towns and cities we serve, to ensure we can help the neighbors who need education for a better life.

For more information regarding CVABE's adult education and literacy instruction for students, or volunteer opportunities, contact us.

## CENTRAL VERMONT COUNCIL ON AGING

59 N. Main Street, Suite 200, Barre, VT 05641 • (802) 479-0531 • [info@cvcoa.org](mailto:info@cvcoa.org) • [cvcoa.org](http://cvcoa.org)

Senior Help Line: 1-800-642-5119

As a private nonprofit organization, the Central Vermont Council on Aging (CVCOA) is dedicated to the mission of supporting older Vermonters to age with dignity and choice. CVCOA Services are available to those age 60 and up, or to adults with disabilities. For more than 40 years, CVCOA has assisted older Vermonters to remain independent for as long as possible.

*Some of the options we make available include:*

**Information & Assistance** staff counsels older Vermonters and families on the many available benefit programs and services, such as 3SquaresVT, seasonal fuel assistance, housing, and more.

**Case Managers** work with clients in their homes to assess needs and develop, implement and coordinate individualized long-term care plans.

**Nutrition Services** oversees the menu development and technical assistance for home-delivered and Community meals and provides the largest source of funding for the 14 meal sites that prepare and deliver these meals.

**State Health Insurance Program (SHIP)** provides personalized Medicare counseling, Medicare & You workshops (now on Zoom), and enrollment assistance for Medicare Part D plans.

**Family Caregiver Program** promotes the well-being of the family members serving as caregivers to loved ones, including administration of the Dementia Respite Grant, which provides much needed financial assistance for respite, training, and Memorable Times Café/Memorable Times Online.

**Volunteer Programs** provide direct service to community members. Volunteers offer companionship, transportation, assistance with technology, organizing, wellness classes, meal delivery, special event support, errands and grocery shopping, yardwork, creative guidance, and more.

**Special Projects and Programs** are designed to help alleviate social isolation and loneliness, addressing the accessibility gap for homebound older adults.

In FY21, CVCOA mobilized 450 volunteers to provide direct service, deliver meals on wheels, support mealsites, provide wellness classes, assist with medicare information, provide companionship and creative encouragement, and more. These volunteers served 32,870 hours in Central Vermont communities.

CVCOA served 3,070 unduplicated clients in FY21, plus 6,585 additional interactions with community members for outreach and support. CVCOA services are free of charge. We do charge a modest stipend to private employers who request our Medicare & You workshop for their employees.

All of us at the Central Vermont Council on Aging extend our gratitude to the residents of Corinth for their ongoing commitment to the health, well-being, independence, and dignity of older Vermonters in the Corinth community and throughout Central Vermont.

## CLARA MARTIN CENTER

1483 Lower Plain Rd, Bradford, VT 05033 • (802) 222-4477 • [claramartin.org](http://claramartin.org)

## GREEN MOUNTAIN ECONOMIC DEVELOPMENT CORP.

35 Railroad Row, Suite 101, White River Junction, VT 05001 • (802) 295-3710 • gmedc.com

**2020 was one for the record books. It was a transformative year – in many ways:**

- *Workforce Summit Report issued* – In partnership with the Department of Labor, the 12 RDCs in Vermont collaborated to design and implement 12 regional sessions, resulting in both regional and statewide priorities. The GMEDC summit was hosted by Vermont Technical College and the final report was presented in January.
- *Americorps VISTA Volunteer* – Jake Glenshaw joins GMEDC's as the first Americorps VISTA volunteer on staff, providing additional manpower just when the extra hands were needed most to track and disseminate the increased volume of important information.
- *ReStart Vermont Technical Assistance (ReVTA) program* – The second statewide collaboration of the RDC network, this grant program matched Vermont technical assistance vendors with local businesses in each RDC service area and funded business development projects with individual grants of \$3-5,000. ReVTA brought over \$100,000 into the GMEDC service area.
- *Emergency Economic Recovery 2.0 grants* – GMEDC supported this Agency of Commerce and Community Development emergency grant program by reviewing and approving business applications, enabling dispersal of over \$700,000 in emergency funding to businesses across the state through our office alone.
- *Leadership transition* – Executive Director Bob Haynes announced his retirement date of April 1, 2021. Following a two-month search process, Erika Hoffman-Kiess was named to GMEDC staff effective February 1, 2021, stepping up as Executive Director following Bob's April departure.

**2021 has matched the pace of the previous year and raised the stakes with a flow of funding not seen in our lifetime.** GMEDC has increased our work with regional and municipal leadership working together to face these unprecedented challenges and explore the unexpected opportunities.

- *Northern Borders Regional Commission Grant Award* – GMEDC was awarded a \$175,000 matching grant for the acquisition of the former Enterprise Center in Randolph, to be repurposed as a new childcare hub for Orange County Parent and Child Center, providing 88 spots, childcare workforce training, and parent support services.
- *Local Investment series* – In partnership with Vital Communities, Mascoma Bank and other area organizations developed and hosted a three-month series of educational events and workshops to introduce the concept of local investing and tools to help people interested in keeping investment dollars and impact local; over 600 people registered for the various events.
- *Americorps VISTA Volunteer* – GMEDC bids farewell to Jake and welcomes Meghan Asbury to the staff. She will be working to support the organization and formalization of the 4 Town Coalition, a grassroots, all-volunteer effort across Royalton, Sharon, Strafford, and Tunbridge.
- *Board Transition* – Long-time Board Member and Chair, Joe Boyd departs and GMEDC welcomes new Chair, Monique Priestley. Founder and Director of The Space on Main in Bradford, Monique brings energy and a next-generation outlook to the GMEDC mission.

**Green Up Day**  
**May 7, 2022**

**Green Up Day on May 1, 2021** was a huge success thanks to nearly 22,000 volunteers statewide who Greened Up. The infographic shows that all your hard work to beautify Vermont is needed and that it makes where we get to live, work, and play a very special place. As one of Vermont's favorite holidays, it is imperative for today and for future generations to keep building pride, awareness, and stewardship for a clean Vermont environment.

Support from your municipality is essential to our program. Funds help pay for Green Up Day supplies, promotional outreach, and educational resources including activity books, contests for kids, and a \$1,000 scholarship.

Along with Green Up Day, we work year-round to further our impact with waste reduction initiatives, additional clean-up efforts, and educational programs.

Green Up Vermont is a private nonprofit organization that relies on your town's support to execute the tradition of cleaning up our roads and waterways, while promoting civic pride, and community engagement. Thank you for your support of this crucial program that takes care of all our cities and towns.

Your donations make a huge impact and can be made on Line 23 of the Vermont State Income Tax Form or anytime online at [www.greenupvermont.org](http://www.greenupvermont.org).

## GREEN UP VERMONT - CORINTH

We did it!!!! Corinthians set a new all time record for the amount of trash collected! You brought 243 green bags to the Transfer Station ... over 1.6 tons of ugly litter that's no longer strewn on our roadsides. In addition, 45 tires, a sink, a toilet, and a host of unknown bits and pieces of junk are no longer spoiling our view.

The winners of the Taste of Corinth Gift Basket for bringing in the most bags were Azure and Zephyr Daniels and Adam Miller. They enjoyed a free pizza at Crossmolina's Saturday Pizza Night, a bottle of Montview Vineyard wine, a dozen eggs from Hop and Goat Farm, coffee from Vittles Espresso, maple syrup from Kallberg Maple, cheese from Three Cow Creamery, and a bonus gift from Moxee Art.

This year's group winners are new to the competition. The Vittles Espresso Gang filled 7 bags and saw their name on the 2021 plaque at the FX Shea Town Forest kiosk.

We've also picked 25 tickets out of the hat for our \$10 gift certificates. This was a new prize this year that proved very popular. Every Green Up trash bag brought to the transfer station was awarded a raffle ticket to one of our Taste of Corinth Gift Basket vendors. The winners all had a chance to taste some of the amazing products our local businesses provide.

Thank you everyone for a very successful Green Up Day ... enjoy the beauty of your town roads and know you did the work. Thank you sponsors for your generous gifts. Your made-in-Corinth products are a great motivator.

See you next year!!!

## LITTLE RIVERS HEALTH CARE, INC.

720 Village Road, East Corinth, VT 05040 • (802) 439-5321

As Little Rivers celebrates its 15th anniversary, we cannot help but focus on the tireless efforts of all our staff to get us through another year of a pandemic. As with so many of our community partners, ensuring that our local residents receive the vital services they need has been a challenge like no other.

In conjunction with the Vermont Department of Health, Little Rivers continues to offer Covid-19 testing and vaccinations, provide public information, and conduct outreach to schools, summer camps, and businesses. This collective effort went a long way toward keeping our communities safe and our local economy stable.

This crisis has also brought into focus more fundamental unmet needs in our community, causing us to expand our services in many areas. Our behavioral/mental health program increased by a dramatic 50% due to increased demand for counseling, medication management, and substance use disorder treatment. Our Chronic Care Management program also grew, now helping 122 patients manage their chronic conditions. Planning for a dental clinic began in earnest, and the former Jiffy Mart in Wells River was purchased to house this. We also purchased the former Newbury Health Clinic, giving us additional space to expand our services further and accommodate the 50-70 new patient requests we have been averaging per month.

Our patient population increased to 5753 in 2020 and patient appointments increased by 58%, demonstrating both the need for and capacity of Little Rivers.

In order to better serve our community, Little Rivers expanded several essential services:

- Our Medication Assisted Treatment program to treat substance use disorder continued to grow. Despite COVID restrictions, our staff made every attempt at connecting with patients remotely.
- Our obstetrics program provided patients with family planning services, prenatal, labor and delivery, and postnatal care.

- We provided behavioral health services in all 6 of the Orange East Supervisory Union schools and offered training to school faculty and staff and summer camps with content regarding resiliency, classroom behaviors, and trauma-informed approaches.
- Our strong collaborations with local food security organizations allowed us to more than double the quantity of food given to our community (between 405-460 pounds a week). Our care coordinators hand delivered meals, toiletries, wood, and medications.

In addition to our services, LRHC also contributes to the local economy. In 2020, Little Rivers employed over 85 people in well-paying jobs, spent over \$8 million locally, and brought in \$3 million in federal dollars to our communities. In return for our grant funding, we need to demonstrate financial support from our towns, so we are deeply grateful to our area towns and generous donors who continue to support us in this work. Many thanks to you all.

Little Rivers Health Care

# THE MENTORING PROJECT OF THE UPPER VALLEY

P.O. Box 237, Bradford VT 05033 • (802) 439-3562, (802) 222-1624

[mentoringprojectuv.org](http://mentoringprojectuv.org)

**Our Mission** is to “encourage self-confidence and academic growth among children & adolescents by creating mutually beneficial relationships with responsible adult volunteers.” Our over-arching goal is to monitor and support those mentoring relationships through high school graduation, via opportunities for wholesome activities, which include community service projects, training for Mentors, and experiences that promote cohesiveness and a sense of community.

**COVID-19** has made mentor/mentee relationships extremely challenging. For the health and safety of all, most activities and events have been carried out remotely. “Virtual Burn-out” resulted in the loss of 20% of our matches due to screen-time fatigue, and the Board of Directors decided to halt recruitment of new matches until it was safer for mentors and mentees to be engaged in activities together.

**January is National Mentoring Month** and it has been the tradition the TMP mentors and mentees volunteer at the Upper Valley Haven. With this being impossible in 2021, we collected 10 banana boxes of non-perishable food and 10 people donated homemade desserts which were delivered to The Haven. John Narowski and Caleb Peavey were named Mentoring Ambassadors by Mentor VT and participated in an on-line interview.

**Financial and Technical Support** came in various forms: Grants were received from Mentor VT and from the Jack and Dorothy Byrne Foundation. Staff at Copeland Furniture printed over 4,000 copies of our Annual Appeal letter and staff at the Bradford branch of Wells River Savings Bank prepared the mailing of the letter to the residents in the towns that we serve. Over \$5,000 in donations were received from 51 donors in response to that letter. TMP was the recipient of money collected at the Hanover Co-op check-outs in their “Pennies for Change Program”. TMP’s Program Coordinator received training entitled “Involving Youth in Your Substance Abuse Prevention Program”, provided via a Prevention Network grant administered by Little Rivers Health Care.

**As restrictions eased slightly**, The Mentoring Project in collaboration with Bradford Public Library, presented a “Bubble Bonanza” performance at the Bradford Fairgrounds in June. In July a beach party was held at Hall’s Lake to celebrate our two 6th grade graduates and our four 8th grade graduates. Our Annual Golf Tournament fund-raiser was held at the Bradford Golf Club in August. Apple picking at Wild Hill Organics, followed by cider pressing took place in September.

**The advent of COVID Variant Omicron** forced the TMP Board to adopt a vaccination policy as a pre-requisite for in-person mentoring. Then the year ended with a Virtual Pizza Party for Parents and Families. Colatina Exit gift cards were sent to mentors and mentee families and Marko the Magician entertained us with his mind-boggling magic via Zoom.

**Patience and Resiliency** were the key survival factors in 2021 and we are curious about what new challenges 2022 will bring to us?

Lance Mills, Chair TMP Board

Nancy Jones, TMP Program Coordinator

## NORTHEAST SLOPES

10397 Route 25, East Corinth, VT 05040 • (802) 439-5789

### 2020/2021 SKI SEASON:

Northeast Slopes is happy to report we were able to be open in spite of COVID restrictions for the 2020/2021 operating year. With adequate snow cover for most of the season, NES was open 28 days, providing quality winter recreation and playing an important role in building and sustaining the sense of community in this area of Vermont. We were not able to hold many of our traditional events such as the Box Race, Musikfest and Winterfest.

Like many nonprofits, the downturn in the local economy has impacted our fundraising. We did manage to secure a Safety Recreation Grant from the State of Vermont to help offset the associated costs of COVID social distancing. Our Friday school program had another successful season of providing equipment, lessons, and slope time for kids in the area. For the ninth year in a row, this aspect of our programming demonstrates our commitment to serving local children.

By opening as many days as weather allows, organizing fun local events, and seeking financial support beyond our immediate community, our board believes Northeast Slopes provides Corinth and surrounding towns with a vital and affordable local service that gives young people and their families a great place to meet and recreate outdoors during the long winter months. Please keep in mind we are entirely volunteer-staffed and run, and we always welcome the interest and involvement of new volunteers!

***THINK SNOW and we hope to see you on the Slopes!***

## ORANGE COUNTY PARENT CHILD CENTER

693 Vermont Route 110, Tunbridge, VT 05077 • (802) 889-9472 • [orangecountypcc.org](http://orangecountypcc.org)

One of 15 parent child centers in Vermont, the Orange County Parent Child Center strengthens families with young children and connects them to their communities. We accomplish this through home visiting, supervised visitation, weekly playgroups, case management, onsite programming, and community outreach events. Some of our programs serve all families while others require income eligibility or place an emphasis on pregnant and parenting teens and families lacking support due to social isolation, poverty, insecure housing, or lack of other vital community resources.

OCPCC's programs include: Children's Integrated Services Family Support and Family Support Nursing, Welcome Baby visits, free community playgroups, Kids Place supervised visitation and exchanges, Families Learning Together program, Early Care & Education, parent education, kinship care support groups, and resource & referral services. We are a public pre-k partner under Act 166.

You can learn more at [www.orangecountypcc.org](http://www.orangecountypcc.org).

**Last year, with the continued support of your community, we were able to serve 10 families from Corinth including 17 adults and 17 children.**

# ORANGE COUNTY RESTORATIVE JUSTICE CENTER

P.O. Box 58, Chelsea, VT 05038 • (802) 685-3172 • [occrjvt.org](http://occrjvt.org)

The Orange County Restorative Justice Center strives to be a major catalyst in Orange County for building and advocating for a just community by:

- providing restorative programs to address legal issues, wrongdoing, conflict and the needs of harmed parties; and
- connecting participants to services that improve the health, well-being and positive behavior of individuals and the community.

Our vision is that the everyday life in Orange County communities is safe, just and provides opportunities for all people to thrive.

**Our organization offers Court Diversion for youth and adults; Youth Substance Awareness Safety Program; Pretrial Services for defendants in court; License Reinstatement Program for drivers with suspended licenses; the Safe Driver class; Victim Services; Restorative Re-entry for individuals supervised by Department of Corrections, returning to our communities after incarceration; Circles of Support and Accountability for high-risk individuals supervised by Department of Corrections, reentering our communities after incarceration; and Reparative Panels, as part of probation for individuals asked to repair harm caused by their crimes.**

We appreciate the support that we have received from Corinth over the years.

## 1981 Annual Report of the Town of Corinth, Vermont

NEW COOKVILLE FIRE STATION  
EAST CORINTH VOLUNTEER FIRE DEPARTMENT

The building on the front cover is the

### NEW COOKVILLE FIRE STATION

which was constructed during the summer of 1980 on land acquired from the Town for the express purpose of erecting a Fire Station. The building is 32 x 40 feet and was built by volunteer labor. \$5,000 from Revenue Sharing Money was used to purchase the materials.

The Station is manned by the Cookville Division of the East Corinth Fire Department which was organized in July of 1971. It has ten members locally all of whom are part of the thirty-member East Corinth Fire Department.

The Station is equipped with two Tank Trucks which are completely equipped - one has an 1800 gallon tank and the other a 1200 gallon tank. There is also a Portable Indian Pump and brooms and shovels for fighting forest and grass fires.

By having equipment in Cookville twenty to twenty-five minutes response time is saved thus making it possible to save more buildings.

## ORANGE EAST SENIOR CENTER

176 Waits River Road, Bradford VT 05033 • (802) 222-4782

**Our primary focus is helping seniors. How did we do in 2021?**

2021 continues to be anything but normal. We were open for business, Monday and Wednesdays each week (except for certain holidays). We continue to offer our Meals on Wheels and takeouts. We were also able to continue the following programs:

- \* foot clinics
- \* hold classes in exercise, balance
- \* offer services of income tax preparation, filling out Medicare Part D and Medicaid forms
- \* distribute donated medical equipment
- \* provide our space to AA, AL-ANON and Cribbage Club

When everything changed in March 2020, we shifted our focus to providing meals to all seniors in need. **We have delivered 2,026 meals in Corinth.**

During all of 2021, our volunteers gave 2,183 hours to our Center and drove 15,588 miles delivering meals to seniors in our six participating towns.

The money we receive from Corinth is more important than ever this year as we had to curtail all of our in-person fundraising activities. The money is primarily used to offset the cost of providing meals either at the Center or delivered to homes. *Our goal is to make sure no senior goes hungry.*

***Thank you for helping Orange East Senior Center! Everyone is welcome for meals and events!***

Respectfully submitted,

# PUBLIC HEALTH COUNCIL OF THE UPPER VALLEY

One Court Street #378, Lebanon, NH 03766 • (603) 523-7100 • [info@uvpublichealth.org](mailto:info@uvpublichealth.org)

Thank you to the residents of Corinth for supporting the Public Health Council of the Upper Valley (PHC) in 2021.

The PHC is the largest and broadest coalition of advocates on public health issues in the greater Upper Valley region. Our mission is to improve the health of Upper Valley residents through shared public health initiatives. We have become a trusted and solution-oriented convener that makes a positive difference in the lives of everyone in our region. The PHC is a force multiplier for the organizations, professionals, and citizens, who together make our communities healthier places to live, work, and play.

In 2021, PHC staff and partners worked together to increase collaboration, promote greater health equity, and address priority public health issues for the region. The greatest of these priorities was COVID-19 and its impact on our region. Our work this year has included:

- Hosted regular meetings for PHC partners to share information about pandemic resources and provide opportunities for sharing and problem solving.
- Ensured cross-border communication about COVID vaccination efforts and helped coordinate vaccine clinics as needed, primarily in New Hampshire given the two states different approaches to vaccine distribution.
- Provided staff support to Upper Valley emergency response efforts and committees within Upper Valley Strong.
- Hosted five flu clinics in rural communities, providing about 1,400 free vaccines, with support from Dartmouth Hitchcock, Geisel School of Medicine and many local partners.
- Continued health equity work by facilitating a committee to explore racism and health as well as consulted on several student projects exploring health equity issues.
- Collaborated with local school districts and the Hartford Community Coalition to ensure availability of summer meals for children in the region.
- Hosted Lead-Safe Practices trainings for local contractors and launched a webpage with childhood lead poisoning prevention resources.
- PHC greatly appreciates the support we receive from Corinth and will continue to work hard to meet your needs in 2022. For more information about PHC, visit us at [www.uvpublichealth.org](http://www.uvpublichealth.org).

## **SAFELINE, INC.**

**PO Box 368, Chelsea, VT 05038 • (802) 685-7900 • safelinevt.org**

Safeline, Inc. is a 501(c)(3) non-profit charitable organization that provides free and confidential services for victims of domestic violence, sexual abuse and stalking in Orange County and northern Windsor County.

During the Covid-19 pandemic Safeline continued to be available 24/7 for survivors and their families. Calls to Safeline started to increase as survivors had more flexibility to reach out and as children went back to school where mandated reporters could contact authorities about potential abuse.

Safeline provided 3,883 services for 315 victims of domestic violence, stalking and sexual abuse. 176 services were provided for 21 victims who identified themselves as residents of Corinth. These statistics could be understated, as victims often choose not to give any identifying information out of fear for their safety. Most of the victims have children within their family.

A trained advocate is always available to provide crisis support, safety planning, resources, information and referrals through Safeline's 24 hours a day/7days a week Hotline (1-800-639-7233). Survivors can also choose from a wide array of additional services including legal advocacy, day shelter services, job readiness skills development, and financial management education.

In addition to providing direct services, Safeline is a resource for the community at large and is committed to changing the culture of violence. As part of this work, Safeline offers a full range of prevention education for community organizations, schools, medical centers, faith communities, youth groups, and anyone who is seeking information about domestic violence, sexual abuse and stalking.

We thank the voters for your support as we strive to end domestic violence, stalking and sexual abuse in Corinth.

Executive Director

## TOPSHAM-CORINTH LITTLE LEAGUE

3 Benjamin Road, Topsham, VT 05076

Topsham-Corinth Little League was created by caring parents who wanted to provide a sports program for children in the towns of Topsham and Corinth. The league is open to boys and girls from ages 5- 12. Our non-profit organization supports and fosters teamwork, community, and a love of baseball/softball. We were fortunate last year to have two major league teams [SB, BB], two minor league teams [SB, BB], one machine pitch and one tee-ball team. Things still look different because of the pandemic but we were able to have a semi-normal season. We also hosted the CVNLL championships this year and our BB team was able to bring home the championship!

The Topsham-Corinth league continues as the fastest growing league in the CVNLL area. We did purchase our bleachers this year and they look great! We also constructed another batting cage for the SB side of the facility! We are requesting 500.00 this year to help offset equipment cost and upgrade our concession stand inside and out.

For the 2021 season, TCLL provided baseball and softball instruction to over 70 children from the towns of Topsham (33) and Corinth (38). We hope to be able to continue our program as it is a positive way to encourage our children to be team players and stay physically active.

Thank you from the TCLL board, parents and the players.

Sincerely,

Willy Kingsbury

TCLL President/Treasurer

## TRI-VALLEY TRANSIT

297 Creek Road, Middlebury, VT 05753 • (802) 388-2287 • [trivalleytransit.org](http://trivalleytransit.org)

On behalf of Tri-Valley Transit (TVT) I am writing to thank you for the Town of Corinth's generous support last year. In the last four years your support helped us provide an annual average of 1878 Dial-a-Ride trips for Corinth residents either by volunteer drivers or on wheelchair accessible vehicles. Tri-Valley Transit's Dial-A-Ride and Shuttle Bus systems provided a total of 123,974 rides this year.

During the COVID-19 outbreak, public transportation has been on the frontlines of providing essential service to many of the most vulnerable members and essential workers of our communities. TVT has revamped its service to protect riders, the general public and staff, focusing on riders with no other means of transportation but whose trips are essential: healthcare staff getting to work and patients accessing dialysis, cancer, and opioid addiction treatment. We also added free food delivery service for at-risk members of the community. Unfortunately the pandemic lingers on with new variants of the virus that are more than 2x as contagious as previous strains and can be passed to unvaccinated people by those who are vaccinated but may not be experiencing symptoms. We remain vigilant to protect riders, staff and volunteers from COVID.

*To protect everyone, we have worked hard to:*

- install protective shields between seats,

*continued on next page*

- implement pre-ride screening techniques to ensure drivers and riders are not COVID risks,
- ensure all vehicles are frequently sanitized,
- require face masks to be worn in our vehicles and facilities
- provide hand sanitizer and face masks to riders, staff and volunteers.

While COVID grants have offset immediate COVID cost impacts, we still need to raise up to 20% “local match” dollars to unlock our state and federal operating grants. In terms of municipal support, TVT’s requests of towns account for approximately 5% of the 20% requirement. Many partner agencies in our service area agree that a contactless town funding appeal process is in the best interest of public safety this year to reduce the spread of the deadly coronavirus.

Thank you in advance for your consideration of our request – we greatly appreciate it!

Sincerely,

Jim Moulton, Executive Director

## **VERMONT CENTER FOR INDEPENDENT LIVING**

**11 East State St, Montpelier, VT 05602 • (802) 229-0501 • vcil.org**

For the last 42 years, The Vermont Center for Independent Living (VCIL) has been teaching people with disabilities and the Deaf how to gain more control over their lives and how to access tools and services to live more independently. VCIL employees (85% of whom have a disability) conduct public education, outreach, individual advocacy and systems change advocacy to help promote the full inclusion of people with disabilities into community life.

In FY’21 (10/2020-9/2021) VCIL responded to thousands of requests from individuals, agencies and community groups for information, referral and assistance and program services for individuals living with a disability. VCIL Peer Advocate Counselors (PACs) provided one-on-one peer counseling to 186 individuals to help increase their independent living skills and 4 peers were served by the AgrAbility program. VCIL’s Home Access Program (HAP) assisted 148 households with information on technical assistance and/or alternative funding for modifications; 65 of these received financial assistance to make their bathrooms and/or entrances accessible. Our Sue Williams Freedom Fund (SWFF) provided 80 individuals with information on assistive technology; 42 of these individuals received funding to obtain adaptive equipment. 484 individuals had meals delivered through our Meals on Wheels (MOW) program for individuals with disabilities under the age of 60. We are also home to the Vermont Telecommunications Equipment Distribution Program (VTEDP) which served 35 people and provided 24 peers with adaptive telecommunications enabling low-income Deaf, Deaf-blind, Hard of Hearing and individuals with disabilities to communicate by telephone. Due to the pandemic VCIL was able to start a new (temporary) program, Resilience and Independence in a State of Emergency (RISE) which served 415 people in its first year. The Rise Program can help provide an array of items or services if the needs are directly related to the Covid-19 epidemic.

VCIL’s central office is located in downtown Montpelier and we have five branch offices in Bennington, Chittenden, Lamoille, Rutland and Windham Counties. Our PACs and services are available to people with disabilities throughout Vermont. Our Montpelier office also houses the Vermont Interpreter Referral Service (VIRS) and provides statewide interpreter referral services for sign language, spoken English and CART services for assignments in medical, legal, mental health, employment, educational, civil and recreational settings.

**During FY’21, 1 resident of Corinth received services from the following program:**

# VERMONT RURAL FIRE PROTECTION TASK FORCE

14 Crab Apple Ridge, Randolph, VT 05060 • (802) 828-4582 • [vacd.org](http://vacd.org)

On behalf of the Vermont Rural Fire Protection Task Force, I am writing to request your support of the Vermont Rural Fire Protection (RFP) Program, formerly called the Dry Hydrant Grant Program. The RFP program helps Vermont communities protect lives, property, and natural resources by enhancing fire suppression resources. Program Manager and Engineering Technician Troy Dare helps local fire departments identify appropriate sites for dry hydrants and other rural water supply systems, design installations, and find financial support to support the costs of construction. ***During the 23+ years of the program, almost 1200 grants totaling over \$2.6 million have been provided to Vermont towns for installation of new rural fire protection systems, as well as for replacements and repairs.*** The Rural Fire Protection Program is managed by the Vermont Association of Conservation Districts (VACD). VACD is the membership association of Vermont's fourteen Natural Resources Conservation Districts, whose mission is to work with landowners and communities to protect natural resources and support the working landscape throughout the state.

We have made several adjustments to the Rural Fire Protection Grant Program, including changing the name from Dry Hydrant Grant Program to Rural Fire Protection Program to better reflect the diverse range of projects we support. We have increased the maximum grant award amount from \$5,000 to \$10,000 per project. New rural fire protection systems, along with repair, replacement, relocation, upgrades of existing systems, and drafting site development, are eligible for grant funding on an ongoing basis. And we now consider applications from Vermont towns and fire departments on a revolving basis throughout the year rather than just once a year.

***The annual expense of the Rural Fire Protection Program in FY 2021 was \$193,930, of which \$92,909 was paid in grants to Vermont communities for construction costs.*** The remaining budget covered site assessments, project design and program oversight. Most of our funding comes from the Vermont Department of Public Safety through annual appropriations by the Vermont Legislature. In addition, the program receives support from the US Forest Service through the Vermont Department of Forests, Parks and Recreation. Unfortunately, these grants do not completely cover the costs of the program. Therefore,

We are respectfully requesting that you include a \$100 appropriation in your town budget to support the Rural Fire Protection Program. Last year, we received over \$11,000 in town appropriations from over 100 towns, with contributions still coming in. We are deeply grateful for your ongoing support. ***215 Vermont communities have benefitted from the Rural Fire Protection program.*** Our goal is to extend this support to all Vermont towns and continue to assist local fire departments in reducing the risk of injury, loss of life, and damage to property and natural resources, thereby improving the safety and welfare of Vermont communities.

Thank you for your consideration.

Sincerely,

Tom Maclay, Chair

## VISITING NURSE and HOSPICE FOR VT and NH

66 Benning St, Suite 6, West Lebanon, NH 03784 • (888) 300-8853

### *Home Health, Hospice and Skilled Pediatric Services in Corinth*

Visiting Nurse and Hospice for Vermont and New Hampshire (VNH) is one of the oldest and largest non-profit providers of in-home healthcare services in the region. VNH is committed to providing the highest quality care throughout all stages of life, from maternal child care to end of life hospice care, and everything in between. Providing individuals and families with the care they need within the comfort of their own home allows them to maintain comfort and dignity throughout their time of care.

VNH services reduce costs associated with town programs for emergency response and elder care. With quality care provided at home, there is less need for costly hospital and emergency room trips. And with VNH support, residents can age in place rather than relocating to a state or local nursing home.

**Between July 1, 2020 and June 30, 2021 VNH made 682 homecare visits to 61 residents. This included approximately \$30,389 in unreimbursed care to residents.**

- **Home Health Care:** 480 home visits to 54 residents with short-term medical or physical needs.
- **Hospice Services:** 97 home visits to 3 residents who were in the final stages of their lives.
- **Long Term Care:** 79 home visits to 1 residents with chronic medical problems who need extended care in the home to avoid admission to a nursing home.
- **Skilled Pediatric Care:** 26 home visits to 3 residents for well-baby, preventative and palliative medical care.

VNH serves many of Corinth's most vulnerable citizens – the frail elderly and disabled, at-risk families, people with terminal illnesses, children with chronic medical needs, and the uninsured and underinsured. We are dedicated to delivering outstanding home health and hospice services that enrich the lives of the people we serve.

Over the past year this has included many telehealth visits for which we did not receive reimbursement. It is with your help that we are able to provide services like this to those in need. Corinth's annual appropriation to VNH helps to ensure that all have access to quality care when and where it is needed most. On behalf of the people we

serve, we thank you for your continued support.

Sincerely,

Hilary Davis  
Vice President, Strategy Management

## TWO RIVERS-OTTAUQUECHEE REGIONAL COMMISSION

128 King Farm Road, The King Farm, Woodstock, VT 05091 • (802) 457-3188 • [trorc.org](http://trorc.org)

### TRORC 2021 YEAR-END REPORT

The Two Rivers-Ottawuechee Regional Commission is an association of 30 municipalities in east-central Vermont that is governed by a Board of Representatives appointed by each of our member towns. As advocates for our members, we seek to articulate a vision for building a thriving regional economy while enhancing the Region's quality of life. The following are highlights from 2021.

#### Technical Assistance on Planning Issues

Our staff provided technical services to local, state and federal levels of government and to the Region's citizens, non-profits, and businesses. TRORC staff assisted numerous towns with revisions to municipal plans, capital budgets, bylaws and studies. TRORC has applied for funding to assist seven communities review and revise their zoning to enable more housing construction.

#### Emergency Management and Preparedness

TRORC staff continued to serve on the State Emergency Response Committee, providing state officials with key local information to assist emergency planning. TRORC continues to assist local emergency management directors to meet the needs of our first responders. Again, this past year, TRORC assisted several communities with updating their Local Hazard Mitigation Plans. Having FEMA approved plans is a condition for many FEMA programs.

#### Energy

TRORC assisted seven towns on Enhanced Energy Plans to save money for communities and further the State energy goals to meet 90% of Vermont's energy needs from renewable sources by 2050. In addition, TRORC sought and received general energy plan implementation funds to assist town Energy Committees on energy efficiency outreach and education.

#### Transportation

TRORC managed the Municipal Roads Grants-In-Aid program in our Region. This provides funding for towns to implement Best Management Practices (BMP) on municipal roads ahead of the state's forthcoming Municipal Roads General Permit provisions. Funding provides for projects including grass and stone-lined ditches, upsizing and replacement of culverts, and stabilizing catch basin outlets.

Specifically in Corinth this year, TRORC was the project manager on the Library upgrade and we had some preliminary discussions about assessment of a commercial property for contaminants.

We are committed to serving you, and welcome opportunities to assist you in the future.

Respectfully submitted,  
Peter G. Gregory, AICP, Executive Director  
Jerry Fredrickson, Chairperson, Barnard

## VERMONT 2-1-1

Dial 2-1-1 or 1-866-652-4636 • [vermont211.org](http://vermont211.org)

Vermont 211 is a 24/7 Information and Referral program of the United Ways of Vermont. By dialing 211 or by texting your zip code to 898211, you will receive up-to-date information and referrals on health and human services for your area and region. (Text between 8:00am-10:00pm, Monday-Friday.) You can also search for services in your town in our Community Resource Directory at our website. ([www.navigateresources.net/211vermont](http://www.navigateresources.net/211vermont))

Our 211 system in Vermont is at the fingertips of every resident and every phone. 211 is cost-effective, high quality, personal, flexible and community based.

**Can't find what you need?** You can always reach one of our trained professionals by phone or by text. Vermont 211 is here to offer help and to offer hope.

- One call or text gives you access to resources across your community. 211 is efficient, fast and easy to use.
- No more wrong numbers; no more wasted time trying to find the right resource(s).
- 211 is a private and confidential call or text; most often the name of the caller is not even taken. Language translation services are also available.
- 211 maintains the integrity of the 9-1-1 system; saving that vital community resource for life and death emergencies.
- 24-hour availability every day of the year by phone or by clicking on [vermont211.org](http://vermont211.org)
- 211 is an easy way to find or give help in your community.

In times of disaster, Vermont 211 plays a critical role in bringing information to the people most affected by the events and relaying the needs of callers back to the government officials and the first responders.

### What are the needs in your community?

Vermont 211 collects city, town, county and statewide data and feeds it back to communities to help make systemic change. Monthly reports showing the needs of your county are available on our website.

**Residents of Corinth and East Corinth** made 40 calls to Vermont 211 from July 1, 2020 to June 30, 2021 for a range of needs, resulting in 50 referrals to services and resources. And 67 searches on [vermont211.org](http://vermont211.org) were conducted by people identifying themselves as being from Corinth or East Corinth.

The top referrals were for Organizational/Community/International Services (includes elected officials, specialized information and referral, civic groups, directory assistance), Health Care (includes COVID-19 diagnostic tests and vaccine information), Basic Needs (includes food, housing, utility assistance, etc.), and Income Support and Employment (includes General Relief and other income assistance programs).

### Orange County Referrals

Vermont 211 provided 896 referrals to Orange County residents, who called us 756 times during the fiscal year. Top referrals were for Basic Needs (246 referrals), which include food resources (85), homeless services (68), rental assistance and searching (37), and utility assistance, discounts (28). Other referrals were for Health Care (189 referrals), including COVID tests (73), vaccine information (42), and community clinics (25); Organizational/Community/International Services (148 referrals), including specialized information and referral (37), agencies on aging (19), public officials (21), and disaster-related assistance (15); and Income Support and Employment (107 referrals), including general relief (52) and temporary financial assistance (23).

*continued on next page*

Note: These referrals may not represent unique individuals; sometimes multiple referrals are made to the same person.

### **Want to subscribe to our monthly newsletter?**

Our e-newsletter shares monthly statistics on the needs of Vermonters, highlights resources and keeps you up to date on new initiatives. To see or subscribe to our newsletter, go to: [www.vermont211.org/news/monthly-newsletter](http://www.vermont211.org/news/monthly-newsletter)

### **Vermont 211 Partners with Help Me Grow**

Vermont 211 participates in the Vermont Department of Health's statewide Help Me Grow initiative. Help Me Grow VT is a statewide system that supports families with children through age 8, by providing them access to the VT 211 database. By calling 2-1-1 ext. 6 (Mon-Fri 8-5), parents and caregivers will be connected to a Child Development Specialist who can answer parent and caregiver questions about their children's development and behavior, including developmental screening; connect families to state and local resources in their area; provide families with tools to track developmental milestones; and offer care coordination.

**To contact 2-1-1: Dial 2-1-1 or 1-866-652-4636 • [www.vermont211.org](http://www.vermont211.org)**

**Text your zip code to 898211 Monday-Friday 8:00am-8:00pm**

## **VERMONT DEPARTMENT OF HEALTH**

**118 Prospect St, White River Junction, VT 05001 • (802) 295-8820 • [healthvermont.gov](http://healthvermont.gov)**

Twelve Local Health District Offices around the state provide health services and promote wellness for all Vermonters. Additional information about your local health office and related programs can be found at [www.healthvermont.gov/local](http://www.healthvermont.gov/local).

### **COVID-19**

It has been almost two years since the COVID-19 pandemic began, and in response, our families, schools, businesses, first responders, and countless other groups have worked to better protect the health of our communities. Together we ensured towns had access to the vaccine, testing, and other services needed to make more informed decisions about their health. As of December 1, 2021, approximately

- 494,000 Vermonters received at least one dose of COVID-19 vaccine.
  - 546,055 people have been tested and a total of 2,570,835 tests completed.
  - Many COVID-19 resources are now provided in over 20 different languages.
- Up-to-date information, including town-level data can be found on the Health Department's website: [www.healthvermont.gov/covid-19/current-activity](http://www.healthvermont.gov/covid-19/current-activity).

### **Public Health Programs**

In addition to COVID-19 response efforts, Local Health offices continue to provide health services and programs to Vermont communities, including but not limited to

In collaboration with Town Health Officers and other local partners, we help Vermonters better understand the relationship between their environment and their health at a time when more of us are spending time at home with our families. Find information about environmental health and lead, asbestos, toxic chemicals, child safety, food safety, climate change, drinking water, and more at [www.healthvermont.gov/environment](http://www.healthvermont.gov/environment).

- The WIC nutrition program continues to provide primarily remote access to services with phone appointments. In 2021, an average of approximately 11,300 infants, children, and pregnant, postpartum, and breastfeeding people were served by WIC in Vermont each month.

*continued on next page*

- As of November 23, 2021, 193,000 flu vaccine doses have been administered. Protecting people from influenza continues to be particularly important as the flu may complicate recovery from COVID-19.

Thank you to everyone involved in supporting these efforts. We look forward to what 2022 brings, to seeing you in the community, and encourage you to stay in touch with us.

## VERMONT LEAGUE OF CITIES and TOWNS

89 Main St, Montpelier, VT 05602 • (802) 229-9111 • [vlct.org](http://vlct.org)

**About the League.** The Vermont League of Cities and Towns (VLCT) is a nonprofit, nonpartisan organization, owned by its member municipalities, with a mission to serve and strengthen Vermont local government. It is directed by a 13-member Board of Directors elected by the membership and comprising municipal officials from across the state. The most recent audited financial statements are posted on our website, [vlct.org/about/audit-reports](http://vlct.org/about/audit-reports).

**Member Benefits.** All 246 Vermont cities and towns are members of VLCT, as are 139 other municipal entities that include villages, solid waste districts, regional planning commissions, and fire districts. Members have exclusive access to a wide range of specialized benefits, expertise, and services, including:

- **Legal, consulting, and education services**, including prompt responses to member questions that often involve how to comply with state and federal requirements. During the past year, VLCT's timely legal and technical assistance included answering more than 4,000 legal questions and publishing guidance, templates, research reports, and several new groups of FAQs explaining how municipalities can implement the state's COVID-19 requirements. To support Vermont's towns and cities in responding to the pandemic, VLCT quickly researched, assembled, and distributed important information about fiscal impacts, grant opportunities, and how to hold public meetings remotely.
- **Trainings and timely communications on topics of specific concern to officials** who carry out their duties required by state law, as well as pertinent statewide topics. In response to the pandemic, the League provided online trainings, a virtual week-long conference, and timely announcements and information from state officials about how to comply with requirements and access to funding and assistance.
- **Representation before the state legislature, state agencies**, and the federal government, ensuring that municipal voices are heard collectively and as a single, united voice. VLCT's recent legislative efforts have helped provide cities and towns additional resources to respond to the pandemic, address road and bridge repair, tackle cybersecurity, improve housing and economic growth, promote renewable energy, provide emergency medical services, address equity and inclusion, and ensure the quality of our drinking water. Members are also represented at the federal level to Vermont's Congressional delegation and through our partner, the National League of Cities. This federal partnership was instrumental in securing more than \$200 million in local pandemic aid through the American Rescue Plan Act, and ensuring it reached every city, town, and village in Vermont.
- **Access to two exceptional insurance programs.** The Property and Casualty Intermunicipal Fund (PACIF) provides comprehensive and cost-effective property, liability, and workers' compensation insurance coverage, programs, and services that protect the assets of your community. The VLCT Employment Resource and Benefits (VERB) Trust provides unemployment insurance, life, disability, dental, and vision insurance products

*continued on next page*

to members at a competitive price. Both programs offer coverage and products that members need and ask for, help Vermont municipalities stretch their budgets, and are only available to VLCT members.

- **Access to a host of educational and informative materials and member conferences**, including a news magazine, handbooks, reports, articles, and events that all focus on the needs of local government and provide additional educational and networking opportunities.

At the heart of all these activities is VLCT's commitment to serving as a good steward of member assets, and we are proud of the progress we continue to make in that effort. Members are welcome to contact VLCT anytime to ask questions, and to access resources that can help them carry out the important work of local government. For a comprehensive list of member benefits and services, please visit [vlct.org/membersguide](http://vlct.org/membersguide).
