

Corinth Historical Society

MEMBERSHIP APPLICATION

We are sustained by private donations.

Support us by becoming a member and/or by making a donation!

The CHS requires a minimum of \$3,000 per year to fund its basic expenses. In addition, there are expenses of caring for the extensive collection along with building maintenance and improvements. So your generous donations are an important part of keeping the organization healthy for our community and for those that use us for information near and far. *Thank you!*

For information on visiting our museums (two locations in Corinth), research materials, and photos, be sure to visit our web page: corinthvt.org/culture/corinth-historical-society
