5. Corinth/Topsham Business & Services Directory
There are currently 50 businesses listed. Jeff has started and will continue to publish testimonials about some of the directory entrepreneurs on the local Listserv.
6. Corinth Quarterly Newsletter
Jeff met with the town budget committee in November. After listening to the members grapple over costs the town will have to address, Jeff withdrew his request for \$2,900 for printing and mailing the newsletter. Instead, he asked the 3 attending select board members to put the issue on a warrant and let the voters decide. Having not heard from the select board on that request, Jeff consulted with the town moderator, Gary Apfel, and crafted a proposed warrant. That was emailed to the select board. Again, no reply. Should there be no warrant, Jeff will bring the issue to the floor at town meeting.
7. The board approved \$25 Hannafords gift certificates to the 2 employees at the Bradford Redemption Center for the support.
8. The board approved \$25 gas card gifts to Rick and Joanne at the Corinth Transfer Station for their efforts.
