Old Business:

The RFP draft proposal for retaining a consultant to assist with drafting a Bylaw was reviewed. After discussion, modifications to the draft were agreed upon. KD made the following motion: That the RFP, as modified, be submitted to the Select Board for review and direction on proceeding. LA seconded. The motion passed. It was informally agreed that the RFP would be sent to TRORC and VLCT and such other vendors or platforms as the Select Board recommends.

New Business:

The members discussed the possibility of someone other than the Chair being responsible for producing and submitting the minutes. At the present time no one else can take on this task. Accordingly, the Chair will continue to do so.

Problems with the remote access were discussed. Apparently Zoom auto changed the log in information. LA agreed she would work on solving this problem.

The meeting was adjourned by acclamation at 7:58.
