Approval of April minutes

No agenda changes

Public in attendance- Westy and Harlequin Copeland

Green Up Day- Anne McKinsey will attend the next meeting as the finances were not completely ready to present, unable to vote on allocating funds this evening as we didn't have enough members present.

Forest Block Landowner education and protection program- Ken Arkind not present tonight did advise Glynn that he has not heard back from the different agencies as to whether or not they would be willing to participate in setting up a booth to assist in educating the public and answering any questions they may have relating to conserving their property. Recommended at the next meeting we try to come up with alternative ways to continue outreach and plan something for the Fall.

Town Orchard Clean Up- There were seven people present. Two new apple trees were planted and fresh mulch was put down. Chris Bruce was hired again to mow this year and has already mowed once and submitted a bill to Glynn who forwarded it to Lindle, invoice #3148.

Discussed the need to clarify Orchard and EAB expense per Lindle Sutton

Clement Loop Trail Work- Glynn checked the trail (lucky enough to see a bear), found the picnic table and determined it was not too difficult to walk if you are familiar but we may need to re tag some areas. Trail work date to be set at the next meeting.

No other business to discuss.

Glynn moved to adjourn at 8:05
