Agenda Changes- Glynn mentioned discussing a way to separate out cardboard as people like to use it for their gardens, He was approached and asked if people could put unused cardboard in the bottle trailer. Those present objected as there was not enough space to accommodate cardboard. Luke advised we could mention there is cardboard in the loft of Crossmolina Store free to anyone in need.

Public Comment- None

GUD Follow Up- Anne McKinsey not present. The CCC took a vote as to whether we should pay for the two prizes ($96) for GUD as we had a quorum and all present agreed. Anne has not submitted the invoice for the tonnage yet, but GUD Funds will pay an estimated $250 towards that invoice when submitted. Tires were $1,956 (total price) of which GUD Funds will pay $230.

Forest Block Landowner Educational Fair- Discussion involved waiting to the Fall to hold the Fair. Glynn spoke to Jennifer Locke recently who suggested maybe trying to get attorneys at the fair to discuss estate planning as well or as a possible stand alone. Current Use representative would be good to have at the fair as well. There was discussion regarding the format, ie; as a fair, a presentation/convention, meeting on a property in Corinth etc. To be discussed further at our July meeting.

Clement Loop Trail Work Day- Lindle will purchase more trail markers. Glynn mentioned when he walked it there were certain areas where it was really grown up and you could get off trail easily. A motion was made for Lindle to get trail markers and we would use approximately $100. We also discussed building a new kiosk as the old one was rotted and unusable. A trail work day was scheduled for July 13th at 9 am. Glynn to post on the LRN.
