Approval of Minutes from 12/2/25 SB Meeting.
The minutes from the December selectboard meeting have been amended. Demrow made a motion to approve the amended SB minutes of December 2, 2025. Devoto seconded and the motion passed unanimously.

Town Meeting Warrant Discussion/Gary Apfel
Groschner stated that the board was working on the Town Meeting Warrant and will receive help from the auditors this year. She also noted that at last year's meeting a change of pay for the selectboard was voted in after the budget vote which can not be modified. Moderator Apfel said he is taking part in a training provided by VLCT. Apfel and the board will work on the warrant articles together. Groschner said the payroll will be reviewed before the Town Meeting and will be more structured this year. Demrow suggested having the Highway Fund discussion and vote come up earlier than the General Fund to allow the road foreman to leave if needed per the weather.

Public Concerns
Jim Guyer asked about the vote deadline for the amended subdivision by-laws. Devoto said that January 22nd is the deadline to get it on the warrant for the March 3rd Town Meeting. He said TRORC is helping with the sequencing. Andrea McLaughlin asked how, as a second home owner, she can have a say in the by-law process. Devoto encouraged her to send comments to the Planning Commission and the Selectboard or….have your say now. Groschner reiterated that the proposed amendments are up for discussion, not the by-laws in general. Town Meeting Moderator Apfel stated that she can request to speak at the Town Meeting. McLaughlin then asked about variants vs. waivers. Groschner said that, with the help of Peter Gregory, it has been cleared up. More discussion will take place later in the meeting on this subject.

Road Commissioner's Report / Highway Dept
Road Commissioner Porter said that all seems to be going well with some minor breakdowns. There are less right of way issues this year. Porter stated that there are always issues at the East Corinth Park and Ride. Jim Guyer asked about the 50 mph speed limit on unposted roads. Porter said the salt is going fast and the Town Garage is in need of waste fuel oil. Groschner suggested posting on the LRN to inform residents that bringing waste oil to the Town Garage or the Transfer Station is encouraged.

State Grants/Documentation Approval
Groschner signed a grant agreement resolution authorizing Carl Demrow as official executor of grants and documents. Demrow said that all the grant funds from MERP will be coming in over the next 11 months which total $411,000 split between the Town Hall Renovation and Town Garage Addition.

Review of Budget Status and Format

Groschner noted that Anne McKinsey is working hard putting together the Town Report and doing a great job. McKinsey requested a January 10 deadline for all the reports due in. The budget committee has one more meeting on Friday at 4:00 PM to review the budget. Groschner will have the Revenue Report tomorrow (Thursday).

Selectboard Report

Groschner delegated to Demrow, Devoto, and herself different items for each to expound on for the report. She noted that Anne McKinsey wrote up a commentary on the virtue of volunteer work. Demrow will review it.

Openings for Town Committees/Appointments

There are quite a few openings on town committees. Demrow will contact members of the committees to gather more information.

Timeline for Public Vote on Subdivision Amendments

Peter Gregory from TRORC did a legal review and the anomalies have been cleared up on the proposed subdivision amendments. The board can approve or disapprove them before the public vote. Devoto said he will bring the final draft to the Planning Commission meeting tomorrow night (Thursday). Andrea McLaughlin asked about getting a copy of the proposed amendments. Devoto said he would post it on the website Thursday. Groschner said that the most updated version would not be up yet but McLaughlin could still go to the website and compare the existing by-laws with the proposed new amendments. Jim Guyer discussed with Porter right of way measurements.
The board will vote on the by-law amendments at the SBF meeting Monday night 1/12 to send to the Australian Ballot. The Public Hearing will be at 6:00 on February 3rd.during the regular selectboard meeting and then the public vote at the Town Meeting 30 days later on March 3rd. The agenda for that meeting will be posted by January 19th and in the Journal Opinion by January 14th.
