Present- Glynn Pellagrino, Luke Campbell, Lindle Sutton, Emily Marsh, Ken Arkind, Luise Graf, Mary Kent

Missing- Joyce Powzyk

February Minutes accepted, all present in favor

Public Comment-

None

Act 181 Update-

Ken mentioned a lot of comments going around based on false information and asked what we could do to get the word out. Luke said in doing some research on social media, there seems to be a lot of people state wide that are against it. Lindle brought up a group of 5 people that are called, The Land Use Board who are writing the rules under Act 181. They are asking for public input and hoping to have everything done by September. Glynn mentioned the law is passed, and now rules are being written and then adopted which will interpret what it all means. Refer to Act 250vermont.gov.to research further. Glynn mentioned doing another informational forum in the future and at the same time feel free to send in editorial comments to local papers. Tabled and will continue to research to discuss further at the April meeting

Education Project-

We have dates in place for Fish and Wildlife's Workshop to be August 19, 2026 at the WRVS from 11 am to 3 pm. Lunch to be served by the school. Also, May 6, 2026 from noon until 2pm, staff to meet at the Shea Town Forest along with Rebecca Roy from VT Forest, Parks and Recreation. Any available CCC members encouraged to attend as well. Email to be sent to Dave Paganelli to see his availability on that day.

Trail maintenance day May 3 for Shea Forest 10 am. Will need someone to post on the LRN for volunteers

Other Business-

Town Orchard Work Day, Luise will walk through in the near future and plan a cleanup date at the April meeting, Bird Walk dates also to be decided next meeting

Town Meeting Follow up-

We got our annual $200 for the Corinth Conservation Commission

Bottles-

April 4- Emily

April 11- Lindle

April 18- Luise

April 25- Glynn

Meeting Adjourned at 8:30 pm
