March Minutes Glynn moved that they be accepted and approved by all present

Public Comment- None

Town Forest Outreach Project-

Waiting on word as far as whether our AVCC grant request for $800 will be approved. Hope to hear by May 5, 2026. Trail maintenance day at the F.X. Shea Town Forest to be held May 3 at 10 am to prep for meeting with WRVS staff at the forest May 6, 12-2 pm. Rebecca Roy from VT Forests, Parks and Recreation will be present as well. Glynn to post on LRN for trail maintenance volunteers, Mary discussed with Glynn and CCC members possibly asking for more money for the outreach project at next year's town meeting. Amount to be requested will be discussed further at a later date. Mary also would like to do a power point presentation with Luke's help on the outreach project to have something to present to the AVCC if the grant is approved. Presentation could also be put on our town CCC page for the community to view. Mary discussed having another possible meeting with WRVS Staff to discuss finances, fundraisers and number of students that may be involved etc as it gets closer.

Bird Watch-

May 17 at 7:30 am, to meet John Sutton at the Corinth Town Hall, limit 8 people. Glynn to post on LRN anyone interested to email Lindle.

Orchard Work Day-

Chris Bruce offered to mow at least every two weeks. CCC members voted to hire him again for this season. Orchard cleanup date is May 16, 9 am and we will possibly need wood chips. Emily Marsh to post on LRN.

Act 181 Update-

Glynn mentioned the senate rolled back the road rule/tier 3 and was sent on to the house. Awaiting word from the house. Ken mentioned Alex Weinhagen (Land Use Review Board) would be willing to do an educational forum in the near future.

Other Business-

Tom Reed present, discussed comparisons between Chatahoochee, GA and Corinth, VT, where he was mayor and also recently wrote an article regarding Act 181. Tom mentioned the idea of more housing and families for economic growth as the population is ageing and young people are moving away. He discussed other ideas related to the encouragement of conservation easements etc. Tom was invited to join the CCC and said he would consider it but is leaning toward joining Two Rivers in the near future.

Glynn moved the meeting adjourn at 8:53 pm and all present agreed.
