Town Forest Project- May 3, 2026 was Town Forest trail maintenance day. All trails were attended to and is ready for visitors. The meeting with staff from Waits River School May 6, 2026 was canceled due to weather. Will try to plan another date before school lets out. Announcements of tiny grant winners postponed until May 20, 2026.

Bird Walk- Eight people on May 17, 2026 attended the walk hosted by local birder, John Sutton put on by the Corinth Conservation Commission. Though it was a little buggy, people in attendance said it was very fun and educational.

Orchard Work Day/Mowing- Lindle picked up the wood chips for $50 and about 10 people showed up to help weed and put down chips around the trees on Saturday, May 16, 2026. Glynn made a motion to donate some fencing to Norm Collette for the cemetery commission which is not being used in the orchard. Chris Bruce will be mowing the orchard again this year at $55/mow.

Act 181- The road rule and tier 3 was repealed altogether by the senate but unknown how the House and Governor will act.

Clement Loop Trail- Trail Maintenance Date to be discussed at our next meeting.

Bottles-

June 6- Glynn

June 13- Mary

June 20- Ken

June 27- Emily

Other Business- The plaque for Clement Loop Trail has questions which need to be followed up with Jeff/ Sandy Spiegel. It was recently mentioned that the Select Board created their own FB page and just needed the approval of everyone on their board to create it. It was discussed among CCC members present to create our own FB page as well. Glynn made a motion to create a conservation FB page, Emily seconded and all present were in favor. Luke and Mary to build a page complete with mission statement and present at the next meeting.

Adjournment- 8:06
